13. QUALIFICATION OF BIDDERS
Each bidder may be required, before the award of contract, to show to the complete satisfaction of the Purchasing Agent that it has the necessary facilities, ability, and financial resources to comply with the contract and furnish the service, material or goods specified herein in a satisfactory manner. Each bidder may also be required to provide past history and references which will enable the Purchasing Agent to be satisfied as to the bidder’s qualifications. Failure to qualify according to the foregoing requirements will result in bid rejection by Arlington County.

14. DEBARMENT STATUS
The bidder shall indicate in the space provided on the Bid Form, whether or not it, or any of its principals, is/are currently debarred from submitting bids to Arlington County, Virginia, or any other state or political subdivision, and whether or not it is an agent of any person or entity that is currently debarred from submitting bids to Arlington County, Virginia, or any other state or political subdivision. An affirmative response may be considered grounds for rejection of the bid.

15. ALTERNATE BID
Bidders who have other items they wish to offer in lieu of, or in addition to, what is required by this solicitation shall submit a separate bid clearly marked "ALTERNATE BID". Alternate bids will be automatically deemed nonresponsive and will not be considered for award. Such bids will, however, be examined prior to awarding the contract contemplated herein and may result in either cancellation of all bids in order to permit rewriting of the solicitation to include the alternate item in a rebid or the alternate item may be considered for future requirements.

16. INFORMALITIES
Arlington County reserves the right to waive minor defects or variations from the exact requirements of the solicitation in a bid insofar as those defects or variations do not affect the price, quality, quantity, or delivery schedule of the services being procured. If insufficient information is submitted for Arlington County to properly evaluate the bid by a bidder, Arlington County reserves the right to require such additional information as it may deem necessary after the bid opening time and date, provided that the information requested does not change the price, quality, quantity, or delivery schedule for the services being procured.

17. ARLINGTON COUNTY BUSINESS LICENSES
The successful bidder must comply with the provisions of Chapter 11 ("Licenses") of the Arlington County Code, if applicable. For information on the provisions of that Chapter and its applicability to this solicitation, contact the Arlington County Business License Division, Office of the Commissioner of the Revenue, 2100 Clarendon Blvd., Suite 200, Arlington, Virginia, 22201, telephone number (703) 228-3060.

18. AUTHORITY TO TRANSACT BUSINESS
Any bidder organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Virginia Code, or as otherwise required by law. The proper full and legal name of the firm or entity and the identification number issued to the bidder by the State Corporation Commission must be written in the space provided on the Bid Form. Any bidder that is not required to be authorized to transact business in the Commonwealth shall include in its bid a statement describing why the bidder is not required to be so authorized. The County may require a firm to provide documentation prior to award which: 1) clearly identifies the complete name and legal form of the firm or entity (i.e., corporation, limited partnership, etc.); and 2) establishes that the firm or entity is authorized by the State Corporation Commission to transact business in the Commonwealth of Virginia. Failure of a prospective and/or successful bidder to provide such documentation shall be grounds for rejection of the bid or cancellation of the award. For further information refer to the Commonwealth of Virginia State Corporation Commission website at: www.scc.virginia.gov.

19. VIRGINIA CONTRACTOR LICENSE-NOT USED

20. BID WITHDRAWAL PRIOR TO BID OPENING
No bid can be withdrawn after it is filed with the Bid Clerk unless the bidder makes a request in writing to the Purchasing Agent prior to the time set for the opening of bids or unless Arlington County fails to award or issue a notice of intent to award the bid within ninety (90) days after the date fixed for opening bids.

21. WITHDRAWAL OF BID FROM CONSIDERATION AFTER BID OPENING
After the opening of a bid, a bidder may withdraw its bid from consideration if the price of the bid is substantially lower than other bids due solely to a mistake therein, provided the bid is submitted in good faith, the mistake is a clerical mistake as opposed to a judgment mistake, and is actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of the bid, which unintentional error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. No partial withdrawals of bids will be permitted after the time and date set for the bid opening. The bidder must give notice in writing to the Arlington County Purchasing Agent of a claim of right to withdraw a bid and provide all original work papers, documents and other materials used in the preparation of the bid sought to be withdrawn, within two (2) business days after the date of bid opening. A bid may be withdrawn if the bidder makes its request in writing to the County Purchasing Agent prior to the time set for the opening of bids, or if Arlington County fails to award or issue a notice of intent to award the bid within ninety (90) days after the date fixed for opening bids.

22. PARKING
At most Arlington County government facilities, parking for contractors' vehicles is not provided by Arlington County. A contractor is responsible for the payment of any parking charges or fines resulting from illegal parking at any worksite(s).

23. REQUIREMENTS CONTRACT AND ACKNOWLEDGEMENT
Bidders acknowledge that the contract that will be entered into as a result of this solicitation will be a requirements contract. Arlington County will have no obligation to the successful bidder if no items or services are required. Any quantities which are included in this solicitation are the present expectations of those who are planning for Arlington County for the period of the contract. The amount is only an estimate and each bidder understands and agrees that
Arlington County is under no obligation to the successful bidder to buy any amount as a result of having provided this estimate or of having had any normal or otherwise measurable requirement in the past. Each bidder further understands that Arlington County may require services in excess of the estimated annual contract amount and that such excess shall not give rise to any claim for compensation other than at the unit prices in the contract.

24. **TRADE SECRETS OR PROPRIETARY INFORMATION**
Trade secrets or proprietary information that is submitted by a bidder or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection 4-101(2) of the Arlington County Purchasing Resolution may be exempted from public disclosure under the Virginia Freedom of Information Act (“VFOIA”). However, the bidder or contractor must invoke the protection of this subsection prior to or upon submission of the data or other materials, and must identify clearly and in writing, on the Bid Form, the data or other materials to be protected and state the reasons why protection is necessary or falls within the exception to the VFOIA. It is the bidder’s sole responsibility to defend such exemptions if challenged in a court of competent jurisdiction.

25. **INTEREST IN MORE THAN ONE BID AND COLLUSION**
Multiple bids received in response to this solicitation from an individual, firm, partnership, corporation, affiliate, or association under the same or different names will be rejected. Reasonable grounds for believing that a bidder is interested in more than one (1) bid for a solicitation both as a bidder and as a subcontractor for another bidder will result in rejection of all bids in which the bidder is interested. However, a firm acting only as a subcontractor may be included as a subcontractor for two (2) or more bidders submitting a bid for the work. Any or all bids may be rejected if reasonable grounds exist for believing that collusion exists among any bidders. Bidders rejected under the above provisions shall be disqualified if they respond to a re-solicitation for the same work.

26. **INSURANCE REQUIREMENTS**
Each bidder must review the insurance requirements section carefully with its insurance agent or broker prior to submitting a bid to ensure they can provide the specific coverage requirements and limits applicable to this solicitation. If the bidder is not able to meet the insurance requirements of the solicitation, alternate insurance coverage satisfactory to Arlington County may be considered. Written requests for consideration of alternate coverage must be received by the County Purchasing Agent at least ten (10) working days prior to the date set for receipt of bids. If the County denies the request for alternate coverage, the coverage required by the Insurance Requirements section must be provided. If the County permits alternate coverage, an amendment to the Insurance Checklist will be issued prior to the time and date set for receipt of bids.

27. **CONDITIONS OF THE RIDER CLAUSE**
The successful bidder have the option to extend any contract resulting from this solicitation to all or some of the member jurisdictions of the Metropolitan Washington Council of Governments ("COG") and the Northern Virginia Cooperative Purchasing Council, as set forth in the extension checklist contained in the Bid Form. The following conditions shall apply to the extension of an award to a designated jurisdiction:

a. A negative reply to inclusion of any jurisdiction shall not adversely affect consideration of a bid for award.

b. There shall be no obligation on the part of any designated jurisdiction to utilize an award extended to that jurisdiction.
c. The awardee is solely responsible for notification of the identified jurisdictions of the availability of the award.

d. Arlington County shall not be held responsible for any costs or damages incurred by another jurisdiction as a result of any award extended to that jurisdiction by the awardee.

e. Participating jurisdictions will be permitted to purchase at Contract prices in accordance with contract terms. Participating jurisdictions will place their orders directly with the awardee and will be responsible for placing orders directly with the awardee, arranging deliveries, reconciling discrepancies and invoices, and issuing payments.

f. Each participating jurisdiction has the option of executing a separate contract with the awardee. Contracts entered into with a participating jurisdiction may contain general terms and conditions unique to that jurisdiction including, by way of illustration and not limitation, clauses covering minority participation, non-discrimination, indemnification, naming the jurisdiction as an additional insured under any required insurance policies, and venue. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the awardee, the awardee may withdraw its extension of the award to that jurisdiction.

g. Any extension to another jurisdiction shall be at the unit prices identified in the bid. Bidders shall not, under the conditions of this extension, offer any adjustment, addition, modification or other change to the technical requirements of this solicitation or the unit prices awarded by Arlington County under this solicitation to any public body to which the award is extended.

28. NOTICE OF DECISION TO AWARD
The County will post a written Notice of Decision to Award in the Office of the Bid Clerk, Suite 511, 2100 Clarendon Boulevard, Arlington, Virginia, 22201, stating the date the decision to award was made, and identifying the name of the awardee.

Prices for added sites shall be negotiated at the time of such addition and shall become a part of the contract by amendment. Prices for any added sites shall be based on the general application of the prices bid for a similar size site. In addition, some locations shall be cleared and mowed on an "as needed" basis per the request of the particular County work group. These locations shall be billed at the "hourly rate" as completed on the Bid Form for either Group I & II or Group III depending on which work group originates the request.

III. CONTRACT TERMS AND CONDITIONS

1. CONTRACT DOCUMENTS
The "Contract Documents" consist of the bid of the successful bidder (hereinafter "Contractor") and Arlington County (hereinafter "County") Invitation to Bid No. 165-11.

The Contract Documents set forth the entire agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either of them has made any representation or promise with respect to the parties' agreement which is not contained in the Contract Documents. The Contract Documents may be referred to herein as the "Contract" or "Agreement".

2. SCOPE OF WORK
The Contractor agrees to perform the services described in the Contract Documents (alternatively "Work"), more particularly described in the Scope of Services included with the Invitation to Bid. The primary purpose of the Work is to provide mowing and related clean-up services. The Contract Documents set forth the minimum work estimated by the County and the Contractor to be necessary to complete the Work. It shall be the Contractor's responsibility, at the Contractor's sole cost, to provide the specific services set forth in the Contract Documents and sufficient services to fulfill the purposes of the Work. Nothing in the Contract Documents shall be construed to limit the Contractor's responsibility to manage the details and execution of the Work.

3. CONTRACT TERM
Work under this Agreement will commence upon execution by the County, and be completed no later than February 29, 2012 ("Initial Contract Term"), subject to any written modifications as provided for in the Contract Documents. Upon satisfactory performance by the Contractor and with the concurrence of the Contractor, the County may, through issuance of a Notice of Award, authorize continued operations of the Contractor for not more than four (4) additional twelve (12) month periods from March 1, 2012 to February 28, 2016. (Each such period shall be referred to as a "Subsequent Contract Term").

4. CONTRACT EXTENSION WITH PRICE ADJUSTMENTS NEGOTIATED UP TO CPI-W
The Contract Amount/unit price shall remain firm for at least the Initial Contract Term. The Contract Amount/unit price for any one or more Subsequent Contract Terms, if the County elects to extend the Contract, shall be negotiated by the County and the Contractor. Increases in the amount or price(s) for ensuing years shall not exceed the percentage of change in the U.S. Department of Labor, Consumer Price Index, Urban Wage Earners and Clerical Workers ("CPI-W") for the twelve (12) month period ending in SEPTEMBER of each year of the Contract.

If the Contractor and the County do not agree on a contract price or amount for a Subsequent Contract Term Contract Amount/unit price using the procedure set forth above by the thirtieth (30th) calendar day prior to the final day of the Initial Contract Term or any Subsequent Contract Term, the County may in its sole discretion terminate the Contract whether or not the County has previously elected to extend the term. The contract amount/unit price that changed as a result of this procedure shall become effective on the anniversary date of the Contract and shall be binding on the parties for the next Subsequent Contract Term.

If the Contractor and the County do not agree on a contract price for a Subsequent Contract Term using the procedure set forth above, by the thirtieth (30th) calendar day prior to the final day of the Initial Contract Term or any Subsequent Contract Term, the County may in its sole discretion terminate the Contract whether or not the County has previously elected to extend the term. The contract unit price(s) that changed as a result of this procedure shall become...
effective on the anniversary date of the Contract and shall be binding on the parties for the next Subsequent Contract Term.

5. PROJECT OFFICER
The performance of the Contractor is subject to the review and approval of the County Project Officer ("Project Officer") who shall be appointed by the Director of the Arlington County Parks, Recreation & Cultural Resources Department or agency requesting the work under the Contract. However, it shall be the responsibility of the Contractor to manage the details of the execution and performance of its work pursuant to the Contract Documents.

6. PROJECT STAFF
The Project Officer will, throughout the Initial Contract Term and Subsequent Contract Term, have the right of reasonable rejection and approval of staff or subcontractors assigned to the project by the Contractor. If the Project officer reasonably rejects staff or subcontractors pursuant to this section, the Contractor must provide replacement staff or subcontractors satisfactory to the County in a timely manner and at no additional cost to the County. The day-to-day supervision and control of the Contractor’s employees, and employees of any of its subcontractors, shall be the sole responsibility of the Contractor.

7. BACKGROUND CHECK- NOT USED

8. ADJUSTMENTS FOR CHANGE IN SCOPE
The County may order changes in the Work within the general scope of the work consisting of additions, deletions or other revisions. No claim may be made by the Contractor that the scope of the project or of the Contractor’s services has been changed requiring adjustments to the amount of compensation due the Contractor unless such adjustments have been made by a written amendment to the Contract signed by the County and the Contractor. If the Contractor believes that any particular work is not within the scope of the work or is a material change or otherwise will call for more compensation to the Contractor, the Contractor must notify the Project Officer immediately after the change or event occurs and within ten (10) calendar days thereafter must provide written notice to the Project Officer. The Contractor’s notice must provide to the Project Officer the amount of additional compensation claimed, together with the basis therefor and documentation supporting the claimed amount. The Contractor will not be compensated for performing any work unless a proposal complying with this paragraph has been submitted in the time specified above and a written Contract amendment has been signed by the County and the Contractor and a County Purchase Order is issued covering the cost of the services to be provided pursuant to the amendment.

9. PAYMENT TERMS
Payment terms will be recorded by the County as Net thirty (30) days. The County will pay the Contractor within thirty (30) calendar days after the date of receipt of a correct, as determined by the Project Office, invoice approved by the Project Officer describing completed work which is reasonable and allocable to the Contract, or the date of receipt of the entire order, or the date of acceptance of the work which meets the Contract requirements, whichever is later. Payments will be made by the County for services furnished, delivered, inspected, and accepted upon receipt of invoices submitted on the date delivery of service, subject to applicable payment terms. The number of the County Purchase Order pursuant to which authority services have been performed shall appear on all invoices. Invoices shall be submitted in duplicate. Unless otherwise specified herein, payment shall not be made prior to delivery and acceptance of the entire Work by the County.
10. **PAYMENT OF SUBCONTRACTORS**

The Contractor is obligated to take one of the two following actions within seven (7) days after receipt of amounts paid to the Contractor by the County for work performed by any subcontractor under this Contract:

a. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Contract; or

b. Notify the County and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

The Contractor is obligated to pay interest to the subcontractor on all amounts owed by the Contractor to the subcontractor that remain unpaid after seven (7) calendar days following receipt by the Contractor of payment from the County for work performed by the subcontractor under this Contract, except for amounts withheld as allowed in subsection b., above. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts, if any are permitted, a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements as those contained herein with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to the above provisions may not be construed to be an obligation of the County. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

11. **NON-APPROPRIATION**

All funds for payments by the County under this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia. In the event of non-appropriation of funds by the County Board of Arlington County, Virginia for the services provided under this Contract or substitutes for such services which are as advanced or more advanced in their technology, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the then-current fiscal year or when the appropriation made for the then-current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the County shall not be obligated under this Contract beyond the date of termination specified in the County's written notice.

12. **REQUIREMENTS CONTRACT (ESTIMATED QUANTITIES)**

During the Initial Contract Term or any Subsequent Contract Term, the Contractor will furnish all of the goods or services described in the Contract Documents if so requested by the County. The Contractor understands and agrees that this is a requirements contract and the County will have no obligation to the Contractor if no, or fewer, items or services are required or requested by the County. Any quantities which are included in the Contract Documents are the present expectations of those who are planning for the County for the period of the Contract. The amount is only an estimate and the Contractor understands and agrees that the County is under no obligation to the Contractor to buy that amount, or any amount as a result of having provided this estimate or of having had any normal or otherwise measurable requirement in the past. The Contractor further understands that the County may require goods and/or services in
excess of the estimated annual contract amount and that such excess shall not give rise to any
claim for compensation other than at the unit prices and/or rates set forth in this Contract.

13. COUNTY PURCHASE ORDER REQUIREMENT
County purchases are authorized only if a County Purchase Order is issued in advance of the
transaction, indicating that the ordering agency has sufficient funds available to pay for the
purchase. Such a Purchase Order is to be provided to the Contractor by the ordering agency.
The County will not be liable for payment for any purchases made by its employees without
appropriate purchase authorization issued by the County Purchasing Agent. Contractors
providing services without a signed County Purchase Order do so at their own risk and expense.

appearance at all times. At completion of the Work, but before final acceptance, the
Contractor shall remove all surplus material, falsework, temporary structures including
foundations thereof, and debris of every nature resulting from the Contractor’s operations or
resulting from any activity on the site related to the Contractor’s operations and put the site in a
neat, orderly condition; if the Contractor fails to do so, the County shall have the right to remove
the surplus material, falsework, temporary structures including foundations thereof, and debris,
put the site in a neat, orderly condition, and charge the cost to the Contractor. The County shall
be entitled to offset such cost against any sums owed by the County to the Contractor under
this Contract.

18. DISPOSAL OF PACKING MATERIALS, TRASH, AND DEBRIS
The Contractor shall be responsible for all costs associated with the immediate removal of all
packing materials, trash, and debris ("Waste") and legal disposal said Waste off-site. No County
building or waste containers shall be used for such Waste. If the Contractor fails to adhere to this
requirement, the County will contract with a third party for removal and disposal of the Waste
left by the Contractor. By accepting this award, the Contractor agrees that all costs incurred by
the County for removal and disposal of Waste left by the Contractor may be deducted from
any payment due to the Contractor.

19. OSHA REQUIREMENTS

Occupational Safety and Health Administration requirements, both Federal and those of the
Commonwealth of Virginia; and further certifies that, if the material delivered or used in the

occupational safety and health requirements, all costs necessary to bring the material into compliance with the requirements shall be borne by the Contractor.

20. HAZARDOUS MATERIALS
Arlington County is subject to the Hazard Communication Standard, 29 CFR § 1910.1200 ("Standard"). The Contractor agrees that it will provide or cause to be provided Material Safety Data Sheets ("MSDS") required under the Standard for all hazardous materials supplied to the County or used in the performance of the Work. Such MSDS shall be delivered to the County no later than the time of actual delivery of any hazardous materials to the County or use of such material in the performance of work under the Contract by the Contractor or its subcontractors, whichever occurs first. Container labeling that meets the requirements of the Standard shall be appropriately affixed to the shipping or internal containers. The County reserves the right to refuse shipments of hazardous materials not appropriately labeled, or when MSDS have not been received prior to or at the time of receipt of the shipment for use by the County or for use by the Contractor in the performance of the Contract, or whenever the material is delivered in a manner inconsistent with any applicable law or regulation. Any expenses incurred due to the refusal or rejection of MSDS are the responsibility of the Contractor. The Contractor shall comply with all federal, state, and local laws governing the storage, transportation, and use of toxic and hazardous materials.

21. HAZARDOUS WASTE GENERATOR/HAZARDOUS WASTE DISPOSAL- NOT USED
The County and the Contractor shall be listed as co-generators. The Contractor assumes all duties pertaining to the waste generator, including signing the Waste Shipment Record ("WSR") and manifest. The Contractor shall supply the County Project Officer with the executed original Owner's Copy of the WSR, as required by applicable regulatory agencies within thirty-five (35) days from the time the waste was accepted by the initial waste transporter, and prior to request for final payment. A separate WSR shall be submitted for each shipment to the disposal site.

Delayed Waste Shipment Records: The Contractor shall report in writing to the EPA Region III office within forty-five (45) days if an executed copy of the WSR is not received from the operator of the disposal site. The report to the EPA regional office shall include a copy of the original WSR and a cover letter signed by the Contractor stating the efforts taken to locate the hazardous waste shipment and the results of those efforts.

Temporary Hazardous Waste Storage Prohibited: The Contractor shall not temporarily store hazardous waste unless pre-approved by the County. If so approved, hazardous waste stored off-site in a temporary facility shall be monitored and records shall be kept on the number of containers, size, and weight. The Contractor shall inform the County when the hazardous waste is to be transported to the final disposal site. The County has the right to inspect the temporary site at any time. The Contractor shall submit copies of all relevant manifests, WSRs, and landfill receipts to the County Project Officer prior to the request for final payment. All paperwork shall be signed by the Contractor and disposal site operator as required.

22. SAFETY
The Contractor shall comply with, and ensure that the Contractor's employees and subcontractors comply with, all current applicable local, state and federal policies, regulations and standards relating to safety and health, including, by way of illustration and not limitation, the standards of the Virginia Occupational Safety and Health program of the Department of Labor and Industry for General Industry and for the Construction Industry, the Federal Environmental Protection Agency standards and the applicable standards of the Virginia Department of Environmental Quality.
The Contractor shall provide, or cause to be provided, all technical expertise, qualified personnel, equipment, tools and material to safely accomplish the work specified to be performed by the Contractor and subcontractor(s).

The Contractor shall provide to the County, at the County’s request, a copy of the Contractor’s written safety policies and safety procedures applicable to the scope of work. Failure to provide this information within seven (7) days of the County’s request may result in cancellation of the contract.

23. SUPERVISION BY CONTRACTOR

The Contractor shall at all times enforce strict discipline and good order among the employees and subcontractors performing under this Contract, and shall not employ on the Work any person not reasonably proficient in the work assigned.

24. EMPLOYMENT DISCRIMINATION BY CONTRACTOR PROHIBITED

During the performance of this Contract, the Contractor agrees as follows:

a. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by federal or Virginia law related to discrimination in employment except where there is a bona fide occupational qualification reasonably necessary or related to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

b. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that the Contractor is an Equal Opportunity Employer.

c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

d. The Contractor will comply with the provisions of the Americans with Disabilities Act of 1990 which prohibits discrimination against individuals with disabilities in employment, and mandates their full participation in both publicly and privately-provided services and activities.

e. The Contractor will include the provisions of the foregoing paragraphs in every subcontract or purchase order of over $10,000.00, so that these provisions will apply to each subcontractor or vendor.
25. EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED
In accordance with § 2.2-4311.1 of the Code of Virginia, 1950, as amended, the Contractor acknowledges that it does not, and shall not during the performance of this Contract, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

26. DRUG-FREE WORKPLACE TO BE MAINTAINED BY CONTRACTOR
During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor’s employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of marijuana or any other controlled substance is prohibited in the Contractor’s workplace, and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over $10,000.00 relating to this Contract, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor by Arlington County, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

27. UNSATISFACTORY WORK
If any of the work done, or material, goods, or equipment provided, by the Contractor is unsatisfactory to the County, the Contractor shall, on being notified by the County, immediately remove at the Contractor’s expense such unsatisfactory work, material, goods, or equipment and replace the same with work, material, goods, or equipment satisfactory to the County. In the event the Contractor fails within fifteen (15) days after receipt of written notice to remove improper or unsuitable work, material, goods, or equipment and replace it with suitable and satisfactory work, material, goods, or equipment, the County shall have the right, but not the obligation, to remove or replace the rejected work, material, goods, or equipment at the expense of the Contractor. This paragraph applies during the Contract term and during any warranty or guarantee period. At its discretion, the County shall be entitled to offset such expense against any sums owed by the County to the Contractor under this Contract. If the Project Officer and the County deem it expedient not to require correction or replacement of the work which has not been done in accordance with the Contract, an appropriate adjustment to the Contract Amount may be made therefor.

28. TERMINATION FOR CAUSE, INCLUDING BREACH AND DEFAULT: CURE
The Contract shall remain in force for the Initial Contract Term or Subsequent Contract Term(s) and until the County determines that all of the following requirements and conditions have been satisfactorily met: the County has accepted the Work, and thereafter until the Contractor has met all requirements and conditions relating to the Work under the Contract Documents, including warranty and guarantee periods. However, the County shall have the right to terminate this Contract sooner if the Contractor is in breach or default or has failed to perform satisfactorily the Work required, as determined by the County in its discretion.

If the County determines that the Contractor has failed to perform satisfactorily, then the County will give the Contractor written notice of such failure(s) and the opportunity to cure such
failure(s) at least fifteen (15) days before termination of the Contract takes effect ("Cure Period"). If the Contractor fails to cure within the Cure Period or as otherwise specified in the notice, the Contract may be terminated for the Contractor's failure to provide satisfactory Contract performance. Upon such termination, the Contractor may apply for compensation for Contract services satisfactorily performed by the Contractor and allocable to the Contract and accepted by the County prior to such termination unless otherwise barred by the Contract ("Termination Costs"). In order to be considered, such request for Termination Costs, with all supporting documentation, must be submitted to the County Project Officer within fifteen (15) days after the expiration of the Cure Period. The County may accept or reject, in whole or in part, the application for Termination Costs and notify the Contractor of same within a reasonable time thereafter.

If the County terminates the Contract for default or breach of any Contract provision or condition, then the termination shall be immediate after notice from the County to the Contractor (unless the County in its discretion provides for an opportunity to cure) and the Contractor shall not be permitted to seek Termination Costs.

Upon any termination pursuant to this section, the Contractor shall be liable to the County for all costs incurred by the County after the effective date of termination, including costs required to be expended by the County to complete the Work covered by the Contract, including costs of delay in completing the Work or the cost of repairing or correcting any unsatisfactory or non-compliant work performed or provided by the Contractor or its subcontractors. Such costs shall be either deducted from any amount due the Contractor or shall be promptly paid by the Contractor to the County upon demand by the County. Additionally, and notwithstanding any provision in this Contract to the contrary, the Contractor is liable to the County, and the County shall be entitled to recover, all damages to which the County is entitled by this Contract or by law, including and without limitation, direct damages, indirect damages, consequential damages, delay damages, replacement costs, refund of all sums paid by the County to the Contractor under the Contract and all attorney fees and costs incurred by the County to enforce any provision of this Contract.

Except as otherwise directed by the County in the notice, the Contractor shall stop work on the date of receipt of notice of the termination or other date specified in the notice, place no further orders or subcontracts for materials, services, or facilities except as are necessary for the completion of such portion of the Work not terminated, and terminate all vendors and subcontractors and settle all outstanding liabilities and claims. Any purchases after the date of termination contained in the notice shall be the sole responsibility of the contractor.

In the event any termination for cause, default, or breach shall be found to be improper or invalid by any court of competent jurisdiction then such termination shall be deemed to have been a termination for convenience.

29. TERMINATION FOR THE CONVENIENCE OF THE COUNTY

The performance of Work under this Contract may be terminated by the County Purchasing Agent in whole or in part whenever the Purchasing Agent shall determine that such termination is in the County's best interest. Any such termination shall be effected by the delivery to the Contractor of a written notice of termination at least fifteen (15) days before the date of termination, specifying the extent to which performance of the work under this Contract is terminated and the date upon which such termination becomes effective. The Contractor will be entitled to receive compensation for all Contract services satisfactorily performed by the Contractor and allocable to the Contract and accepted by the County prior to such termination and any other reasonable termination costs as negotiated by the parties, but no amount shall be allowed for anticipatory profits.
After receipt of a notice of termination and except as otherwise directed, the Contractor shall stop all designated work on the date of receipt of the notice of termination or other date specified in the notice; place no further orders or subcontracts for materials, services or facilities except as are necessary for the completion of such portion of the work not terminated; immediately transfer all documentation and paperwork for terminated work to the County; and terminate all vendors and subcontracts and settle all outstanding liabilities and claims.

30. INDEMNIFICATION
The Contractor covenants for itself, its employees, and subcontractors to save, defend, hold harmless and indemnify the County, and all of its elected and appointed officials, officers, current and former employees, agents, departments, agencies, boards, and commissions (collectively the "County" for purposes of this section) from and against any and all claims made by third parties or by the County for any and all losses, damages, injuries, fines, penalties, costs (including court costs and attorney’s fees), charges, liability, demands or exposure, however caused, resulting from, arising out of, or in any way connected with the Contractor’s acts or omissions, including the acts or omissions of its employees and/or subcontractors, in performance or nonperformance of its work called for by the Contract Documents. This duty to save, defend, hold harmless and indemnify shall survive the termination of this Contract. If, after Notice by the County, the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor shall be liable for and reimburse the County for any and all expenses, including but not limited to, reasonable attorneys fees incurred and any settlements or payments made. The Contractor shall pay such expenses upon demand by the County and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.

31. INTELLECTUAL PROPERTY INDEMNIFICATION
The Contractor warrants and guarantees that no intellectual property rights (including, but not limited to, copyright, patent, mask work and trademark) of third parties are infringed or in any manner involved in or related to the services provided hereunder.

The Contractor further covenants for itself, its employees, and subcontractors to save, defend, hold harmless, and indemnify the County, and all of its officers, officials, departments, agencies, agents, and employees from and against any and all claims, losses, damages, injuries, fines, penalties, costs (including court costs and attorney’s fees), charges, liability, or exposure, however caused, for or on account of any trademark, copyright, patented or unpatented invention, process, or article manufactured or used in the performance of this Contract, including its use by the County. If the Contractor, or any of its employees or subcontractors, uses any design, device, or materials covered by letters patent or copyright, it is mutually agreed and understood, without exception, that the Contract Amount includes all royalties, licensing fees, and any other costs arising from the use of such design, device, work, or materials in any way involved with the work hereunder. This duty to save, defend, hold harmless and indemnify shall survive the termination of this Contract. If, after Notice by the County, the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor shall be liable for and reimburse the County for any and all expenses, including but not limited to, reasonable attorneys fees incurred and any settlements or payments made. The Contractor shall pay such expenses upon demand by the County and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.

32. COPYRIGHT
The Contractor hereby irrevocably transfers, assigns, sets over and conveys to the County all right, title and interest, including the sole exclusive and complete copyright interest, in any and
all copyrightable works created pursuant to this Contract. The Contractor further agrees to execute such documents as the County may request to effect such transfer or assignment.

Further, the Contractor agrees that the rights granted to the County by this paragraph are irrevocable. Notwithstanding anything else in this Contract, the Contractor's remedy in the event of termination of or dispute over the terms of this Contract shall not include any right to rescind, terminate or otherwise revoke or invalidate in any way the rights conferred pursuant to the provisions of this paragraph. Similarly, no termination of this Contract shall have the effect of rescinding, terminating or otherwise invalidating the rights acquired pursuant to the provisions of this “Copyright” paragraph.

The use of subcontractors or third parties in developing or creating input into any copyrightable materials produced as a part of this Contract is prohibited unless the County approves the use of such subcontractors or third parties in advance and such subcontractors or third parties agree to include the provisions of this paragraph as part of any contract they enter into with the Contractor for work related to work pursuant to this Contract.

33. OWNERSHIP AND RETURN OF RECORDS
This Contract confers no ownership rights to the Contractor nor any rights or interests to use or to disclose the County’s data or inputs.

The Contractor agrees that all drawings, specifications, blueprints, data, information, findings, memoranda, correspondence, documents or records of any type, whether written or oral or electronic, and all documents generated by the Contractor or its subcontractors as a result of the County’s request for services under this Contract, are the exclusive property of the County (“Record” or “Records”), and all such Records shall be provided to and/or returned to County upon completion, termination, or cancellation of this Contract. The Contractor shall not use, willingly allow, or cause such materials to be used for any other purpose other than performance of all obligations under the Contract without the written consent of the County. Additionally, the Contractor agrees that the Records are confidential records and neither the Records nor their contents shall be released by the Contractor, its subcontractors, or other third parties; nor shall their contents be disclosed to any person other than the Project Officer or his or her designee. The Contractor agrees that all oral or written inquiries from any person or entity regarding the status of any Record generated as a result of the existence of this Contract shall be referred to the Project Officer or his or her designee for response. At the County’s request, the Contractor shall deliver all Records to the Project Officer, including “hard copies” of computer records, and at the County’s request, shall destroy all computer records created as a result of the County’s request for services pursuant to this Contract.

Confidential information includes, but is not limited to, nonpublic personal information, personally identifiable health information, social security numbers, addresses, dates of birth, other contact information or medical information about a person, information pertaining to products, operations, systems, customers, prospective customers, techniques, intentions,

The Contractor certifies that its offer was made without collusion or fraud and that it has not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer, or subcontractor and that it has not conferred on any public employee having official responsibility for this procurement any payment, loan, subscription, advance, deposit of money, services, or anything of more than nominal value, present or promised unless consideration of substantially equal or greater value was exchanged.

36. FORCE MAJEURE

The County shall not be held responsible for failure to perform its duties and responsibilities imposed by the Contract if such failure is due to fires, riots, rebellions, natural disasters, wars, or an act of God beyond the control of the County that make performance impossible or illegal, unless otherwise specified in the Contract.

37. AUTHORITY TO TRANSACT BUSINESS

A contract entered into by a Contractor in violation of this requirement is voidable, without cost or expense, at the option of the County.

38. RELATION TO THE COUNTY
The Contractor will be legally considered as an independent contractor, and neither the Contractor nor its employees or subcontractors will, under any circumstances, be considered employees, servants or agents of the County. The County will not be legally responsible for any negligence or other wrongdoing by the Contractor, its employees, servants or agents. The County will not withhold from payments to the Contractor any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to the Contractor or its employees, servants or agents. Furthermore, the County will not provide to the Contractor any insurance coverage or other benefits, including workers’ compensation, normally provided by the County for its employees.

**TO THE CONTRACTOR:** REFER TO BID FORM OF CONTRACTOR

**TO THE COUNTY:**

The County Project Officer [refer to section headed Project Officer] under the Contract Terms and Conditions section [Contractor shall request address from Project Officer];

AND

Richard D. Warren, Jr., Purchasing Agent
Arlington County, Virginia
2100 Clarendon Boulevard, Suite 500
Arlington, Virginia 22201

55. **NON-DISCRIMINATION NOTICE**
Arlington County does not discriminate against faith-based organizations.

56. **ACCESSIBILITY OF WEB SITE**
If any work performed under this Contract results in design, development, maintenance or responsibility for content and/or format of any County websites, or the County’s presence on other party’s websites, the Contractor shall perform such work in compliance with the requirements set forth in the U.S. Department of Justice document entitled "Accessibility of State and Local Government Websites to People with Disabilities." That document is located at: http://www.ada.gov/websites2.htm.

57. **INSURANCE REQUIREMENTS**
The Contractor shall provide to the County Purchasing Agent a Certificate of Insurance indicating that the Contractor has in force the coverage below prior to the start of any Work under this Contract and upon any contract extension. The Contractor agrees to maintain such insurance until the completion of this Contract or as otherwise stated in the Contract Documents. All required insurance coverages must be acquired from insurers authorized to do business in the Commonwealth of Virginia, rating of "A-" or better and a financial size of "Class VII" or better in the latest edition of A.M. Best Co., and acceptable to the County. The minimum insurance coverage shall be:
a. Workers Compensation - Virginia Statutory Workers Compensation [W/C] coverage including Virginia benefits and employers liability with limits of $100,000/100,000/500,000. The County will not accept W/C coverage issued by the Injured Worker's Insurance Fund, Towson, MD.

b. Commercial General Liability - $1,000,000 combined single limit coverage with $2,000,000 general aggregate covering all premises and operations and including Personal Injury, Completed Operations, Contractual Liability, Independent Contractors, and Products Liability. The general aggregate limit shall apply to this Contract. Evidence of Contractual Liability coverage shall be typed on the certificate.

c. Business Automobile Liability - $1,000,000 Combined Single Limit (Owned, non-owned and hired).

d. Additional Insured - Arlington County, and its officers, elected and appointed officials, employees, and agents shall be named as additional insureds on all policies except Workers Compensation and Auto and Professional Liability; evidence of the Additional Insured endorsement shall be typed on the certificate.

e. Cancellation - All insurance policies required by this Contract shall be endorsed to include the following provision: "It is agreed that this policy is not subject to cancellation or non-renewal until thirty (30) days prior written notice has been given to the Purchasing Agent, Arlington County, Virginia." If there is a material change or reduction in coverage the Contractor shall notify the Purchasing Agent immediately upon Contractor's notification from the insurer. Any policy on which the Contractor has received notification from an insurer that the policy has or will be cancelled or materially changed or reduced must be replaced with another policy consistent with the terms of this Contract, and the County notified of the replacement, in such a manner that there is no lapse in coverage. Not having the required insurance through the Contract term is grounds for termination of the Contract.

f. Any insurance coverage that is placed as a "claims made" policy must remain valid and in force, or the Contractor must obtain an extended reporting endorsement consistent with the terms of this Contract, until the applicable statute of limitations has expired, such date as determined to begin running from the date of the Contractor's receipt of final payment.

g. Contract Identification - The insurance certificate shall state this Contract's number and title.

The Contractor must disclose the amount of any deductible or self insurance component applicable to the General Liability, Automobile Liability, Professional Liability, Intellectual Property or any other policies required herein, if any. The County reserves the right to request additional information to determine if the Contractor has the financial capacity to meet its obligations under a deductible. Thereafter, at its option, the County may require a lower deductible, funds equal to the deductible be placed in escrow, a certificate of self-insurance, collateral, or other mechanism in the amount of the deductible to ensure protection for the County.

The Contractor shall require all subcontractors to maintain during the term of this Contract, Commercial General Liability insurance, Business Automobile Liability insurance, and Workers' Compensation insurance in the same form and manner as specified for the Contractor. The Contractor shall furnish subcontractors' certificates of insurance to the County immediately upon request by the County.
No acceptance or approval of any insurance by the County shall be construed as relieving or excusing the Contractor from any liability or obligation imposed upon the Contractor by the provisions of the Contract Documents.

The Contractor shall be responsible for the work performed under the Contract Documents and every part thereof, and for all materials, tools, equipment, appliances, and property of any description used in connection with the Work. The Contractor assumes all risks for direct and indirect damage or injury to the property or persons used or employed on or in connection with the work contracted for, and of all damage or injury to any person or property wherever located, resulting from any action, omission, commission or operation under the Contract, or in connection in any way whatsoever with the contracted work.

The Contractor shall be as fully responsible to the County for the acts and omissions of its subcontractors and of persons employed by them as it is for acts and omissions of persons directly employed by it.

Notwithstanding any of the above, the Contractor may satisfy its obligations under this section by means of self insurance for all or any part of the insurance required, provided that the Contractor can demonstrate financial capacity and the alternative coverage(s) are submitted to and acceptable to the County. The Contractor must provide its most recent actuarial report and provide a copy of its self insurance resolution to determine the adequacy of the insurance funding.
