The County and the Contractor, for the consideration specified, agree as
follows:

CONTRACT DOCUMENTS
The Contract Documents consist of this Agreement, Exhibit A (Special Terms and
Conditions), Exhibit B (Scope of Services) including Attachment A (ESL
Proficiency Levels), and Appendix 1 (ESL Program Scholarship Guidelines and
Procedures FY 2011-2012, Appendix 2 (Determining Tuition Rate), and Appendix 3
(Workplace Voucher Guidelines, Procedures, Forms, FY 2011-2012). Where the

the other Contract Documents, the terms and provisions of this Agreement shall
prevail over the other Contract Documents.

The Contract Documents set forth the entire Agreement between the County and
the Contractor. The County and the Contractor agree that no representative or
agent of either of them has made any representation or promise with respect to
this Agreement which is not contained in the Contract Documents, and that all
terms and conditions with respect to this Agreement are expressly contained
herein.

SCOPE OF WORK
The Contractor agrees to perform the services described in the Contract
Documents. The purpose of the work is to provide English-as-a-Second Language
training to limited English speakers of Arlington County. It shall be the
Contractor's responsibility to provide the specific services set forth in the
Contract Documents and sufficient services to fulfill the purposes of the
work. Nothing in the Contract Documents shall be construed to limit the
Contractor's responsibility to manage the details and execution of its work.

PROJECT OFFICER
The performance of the Contractor required by this Agreement is subject to the
review and approval of the County Project Officer, who shall be appointed by
the Director of the Arlington County Department of Human Services or designee.
However, it shall be the responsibility of the Contractor to manage the
details of the execution and performance of its work under this Agreement.
CONTRACT TERM
Work under this Agreement will commence on July 1, 2011 and will be completed no later than June 30, 2012(Contract Term), subject to any modifications as provided for in the Contract Documents. No work shall be deemed complete until it is accepted by the Project Officer.

The County will pay the Contractor no more than $809,488.00 conditioned upon the Project Officer's acceptance of the Contractor's completion of the work described and required in the Contract Documents, Exhibit B, subject to the terms and conditions in Exhibit A.

PAYMENT
Payment will be made monthly in accordance with the payment procedures described in Exhibit A and Exhibit B after receipt by the County Project Officer of a correct invoice for services which are reasonable and allocable to the Agreement and which have been performed to the satisfaction of the Project Officer. Each invoice shall include only amounts reasonable and allocable to the Agreement for services performed during the month for which the invoice is submitted.

ADDITIONAL SERVICES
No services other than those described in Exhibit B or which would make the total Contract Amount exceed $809,488.00 are authorized under this Agreement unless the services are covered by a written Amendment to this Agreement signed by the County and the Contractor and a County Purchase Order is issued covering the expected cost of such services.

REIMBURSABLE EXPENSES

CONFIDENTIALITY AND RETURN OF RECORDS
The Contractor agrees that all findings, memoranda, correspondence, documents or records of any type, whether written or oral, and all documents generated by the Contractor or its subcontractors as a result of the County's request for services under this contract, are confidential records (Records), and neither the Records nor their contents shall be released, nor their contents disclosed, to any person other than the Project Officer or designee. The Contractor agrees that all oral or written inquiries from any person or entity regarding the status of any Record generated as a result of the existence of this Contract shall be referred to the Project Officer or designee for response. At the County's request, the Contractor shall deliver all Records to the Project Officer, including "hard copies" of computer records, and at the County's request, shall destroy all computer records created as a result of the County's request for services under this contract.

The Contractor agrees to include the provisions of this section as part of any Contract or Agreement the Contractor enters into with subcontractors or other third parties for work related to work pursuant to this Agreement. No termination of this Agreement shall have the effect of rescinding, terminating or otherwise invalidating this section.

this period. If the Contractor wishes to destroy or dispose of records after the County's audit but within five (5) years after final payment, the Contractor shall notify the County at least thirty days prior to such disposal, and if the County objects, shall not dispose of the records.

ADJUSTMENTS FOR CHANGE IN SCOPE
The County may order changes in the work within the general scope of the work consisting of additions, deletions or other revisions. No claim may be made by the Contractor that the scope of the project or of the Contractor's services has been changed requiring adjustments to the amount of compensation due the Contractor unless such adjustments have been made by formal written Amendment to the Contract signed by the County and the Contractor. If the Contractor believes that any particular work is not within the scope of the project or is a material change or otherwise will call for more compensation to the Contractor, the Contractor must immediately notify the Project Officer in writing of this belief. The Contractor will not be compensated for performing that particular work unless a written amendment has been signed by the County and the Contractor and a County purchase order is issued covering the cost of the services to be provided under the amendment. If the Project Officer believes that the work is within the scope of the Contract as written, the Contractor will be ordered to continue work.

NONAPPROPRIATION
All funds for payments by the County under this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County. In the event of nonappropriation of funds by the County Board of Arlington County for the goods or services provided under the Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, the County will terminate the Contract, without termination charge or other liability of the County, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuance of this Contract, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the County Board of Arlington County shall not be obligated under this Contract beyond the date of termination.

TERMINATION FOR DEFAULT
The contract will remain in force for the full period specified and until the County determines that all requirements and conditions have been satisfactorily met and the County has accepted the work, and thereafter until the Contractor has met all requirements and conditions relating to the work under the Contract Documents following the contract term, including warranty and guarantee periods. However, the County will have the right to terminate the contract sooner if the Contractor has failed to perform satisfactorily the work required, as determined by the County in its discretion. In the event the County decides to terminate the contract for failure to perform satisfactorily, the County will give the Contractor at least fifteen days written notice before the termination takes effect. Such fifteen day period will begin upon the mailing of notice by the County. If the Contractor fails to cure the default within the fifteen days specified in the notice and the contract is terminated for the Contractor's failure to provide satisfactory contract performance, the Contractor will be entitled to receive compensation
for all contract services satisfactorily performed by the Contractor and allocable to the contract and accepted by the County prior to such termination. However, an amount equal to all additional costs required to be expended by the County to complete the work covered by the contract, including costs of delay in completing the project, shall be either subtracted from any amount due the Contractor or charged to the Contractor in the event the County terminates the Contract.

Except as otherwise directed, the Contractor shall stop work on the date of receipt of notice of the termination or other date specified in the notice, place no further orders or subcontracts for materials, services, or facilities except as are necessary for the completion of such portion of the work not terminated, and terminate all vendors and subcontracts and settle all outstanding liabilities and claims.

ARBITRATION
It is expressly agreed that nothing under the Contract shall be subject to arbitration, and any references to arbitration are expressly deleted from the Contract Documents.

PROJECT OFFICER
The performance of the Contractor required by this Agreement is subject to the review and approval of the County Project Officer, who shall be appointed by the Director of the Arlington County Department of Human Services or designee. However, it shall be the responsibility of the Contractor to manage the details of the execution and performance of its work under this Agreement.

III. STATEMENT OF WORK

A. ESL CURRICULA AND DESCRIPTIONS:

1. Intensive and Non-intensive ESL Curriculum

   a. Proficiency levels: The intensive and non-intensive ESL Curriculum consists of nine (9) proficiency levels. Levels 100-550 are offered quarterly (See Attachment A for a more detailed description of the levels)

      100 (Low Beginning)
      150 (Beginning)
      200 (High Beginning Oral/Beginning Literacy)
      250 (High Beginning)
      300 (High Intermediate Oral/High Beginning Literacy)
      350 (Intermediate)
      400 (Advanced Oral Intermediate Literacy)
      450 (High Intermediate)
      500 (Low Advanced)
      550 (Advanced)
      650 (High Advanced)

   b. Placement, Tracking, and Movement through Levels

      Learners are placed into levels 100 - 550 based on both their oral and written proficiency in English. Differences in educational backgrounds and learning abilities are captured through the 00 and 50 sections. Upon initial placement into the program, a student with less than 6 years of education and weak written skills is more likely to place into a "00" level. A student with more than 6 years of education and stronger written skills is likely to place into a "50" level. A student who tests into a "50" level will be more likely to progress from one "50" level to the next throughout the program, i.e., the student may not ever take a "00" level and could complete the program in five(5) cycles of instruction, each consisting of between 120 and 180 hours per cycle.

   c. General Description of Curriculum:

      The REEP Adult ESL Curriculum (2002) is used in both the Intensive and Non-intensive Programs. The curriculum has been revised and is available on REEP's website. It is a comprehensive system developed for programs teaching ESL to adult immigrants and refugees. These language learners provided input into the content of the curriculum, and on-going needs assessments are an integral part of the curriculum at all levels. The curriculum provides necessary instructional support to teachers but is designed to be flexible enough to allow for differences in the contexts and skill levels of particular classes.

      Each of the eleven (11) ESL proficiency levels (100 - 650) consists of nine (9) to eleven (11) instructional units or topics. Through the first unit at all levels, teachers and students prioritize four (4) - five (5) units to be covered for a given cycle (120 - 180 hours of instruction).
**Levels 10C – 250, level 350 and level 450** are organized by contexts/topics and use a competency-based approach with emphasis on an integration of language skill development. The focus is on the oral and written life skills needed by an individual to function in the world outside the classroom, and on the communication skills needed to master those life skills. Within the contexts/topics that a class chooses to cover, the life skills tasks to be accomplished drive the instruction and determine the appropriate language to be taught.

The **300 and 400 levels** focuses on development of reading and writing skills.

**Levels 50C, 550 and 650** focus on preparing learners to enter other educational programs, particularly colleges. The curriculum builds background knowledge covered in U.S. high schools and GED programs and develops skills that learners will need when they make the transition to higher level education, i.e., study skills, test-taking skills, writing skills and note-taking skills.

Intermediate and advanced ESL Theater and Conversation/Pronunciation courses are also offered two (2) days per week for additional or specialized instruction.

Curricula for the on-site, customized workplace literacy classes are based on the job functions and communication networks of a given workplace and employees. The focus is on problem-solving and the language necessary to carry out job tasks. REEP will use internally developed curricula for Hotel Housekeepers, Food and Beverage Workers, and Convenience Store Clerks, as well as a series of videos based on common examples of miscommunication in the workplace. The workplace curricula may be supplemented by The REEP Adult ESL Curriculum.

The REEP Family Literacy Curriculum is a component of the REEP Adult ESL Curriculum and focuses on the language skills and content knowledge that parents need in order to more fully participate in their child's education.

2. Outreach ESL Classes

a. **Proficiency Levels:** The Outreach ESL component offered through REEP’s Outreach Centers will target beginning level learners. The levels will correspond to the beginning levels in the Intensive ESL curriculum (100 – 250/300).

b. **General Description:** The Outreach ESL classes will follow a topical, life skills approach, using the Neighbor to Neighbor curriculum and other training resources. The curriculum was designed to meet the needs of volunteers teaching beginning level ESL adults. The goal of the Outreach ESL program is to help newcomers become integrated more quickly into their communities. The curriculum contains eight (8)
life skills modules: Personal Identification, Time/Calendar, Money and Banking, Shopping, Health, Housing, Transportation, Employment, and Communication.

3. Extended Literacy Instruction:
   
a. Proficiency levels: The literacy classes target beginning level learners with low literacy skills. Six literacy levels are offered.

b. General Description: The literacy classes use literacy lessons developed by REEP. The lessons sequentially teach, model, review, and apply specific reading and writing skills and learning strategies, including phonological processes, reading strategies, vocabulary, syntactic knowledge, and fluency.

E. PROGRAM PROCEDURES:

1. Outreach and Recruitment -- The Contractor's program will locate and identify members of the Limited English Speaking population who would benefit from literacy and ESL classes by:

   a. Identifying community based agencies and community organizations serving the target population and soliciting their help;

   b. Using the Volunteer Program Specialist and other staff to join community-based organizations and task forces that are concerned with LEPs;

   c. Using the Arlington Public Schools (APS) Intake Center, located at the Education Center, to distribute fliers to parents of children in the ESL programs;

   d. Posting notices in retail establishments and public places where target group members are most likely to go;

   e. Using mass media, such as the Arlington County Schools and Recreation schedule of classes and ethnic radio stations;

   h. Using the Arlington County Extension Service Bilingual Outreach Program to assist in identifying participants for Outreach ESL Classes; and,

   i. Marketing workplace education services to businesses in Arlington that are likely to employ limited English speakers in need of ESL services.

   j. Marketing workplace voucher opportunities for job seekers through the Arlington Employment Center as well as for employees of targeted businesses and organizations through the Arlington Public Schools, Arlington County Government, and members of the Chamber of Commerce Hotel Committee,
2. Intake and Testing

a. Intensive and Non-intensive ESL Component
   Intake and testing are conducted on-site weekly beginning three (3) weeks prior to the beginning of each new intensive cycle; one week prior to the beginning of the cycle at non-intensive ESL, workplace, and family literacy locations; and weekly at the Arlington Detention Facility. Students are interviewed and given the "BEST" Oral Skills Test and the REEP Written Test. Students who are unable to do the written test are given REEP's A-track test.

b. Outreach ESL Classes
   Conducted on a daily basis at each Outreach Center site, Outreach ESL intake and testing consists of an informal oral assessment of each student's English ability. After assessment, students are integrated into class to begin study. Students whose performance on this assessment indicates a higher level than those offered will receive referrals to appropriate services.

c. Extended Literacy Instruction
   Participants needing supplemental literacy instruction are identified at the beginning of each semester by their ESL teacher and placed into one of six literacy level classes.

3. Scholarship Distribution
   In the event that demand exceeds scholarships available, scholarships will be distributed through a lottery process. In the event of a lottery, the Contractor will give preference for the scholarship lottery to lower proficiency level students (See Appendix 1 for specific guidelines and procedures).

4. Voucher Distribution
   Priority for intensive class vouchers will be to job seekers referred by the Arlington Employment Center as well as employees of Arlington Public Schools and Arlington County Government (See Appendix 3 for specific guidelines and procedures).
5. Fee Schedule --

**FY 2012 tuition-based fees** for Arlington County residents or employees of Arlington County businesses are as follows:

a. $235 for 12-week day sessions (180 hours/cycle);

b. $175 for 12-week evening sessions (120 hours/cycle).

c. Workplace and other contract fees (payable by the employer/contractor) will vary depending on the length of course and the amount of curriculum development required;

d. $100 for 11-week non-intensive specialty classes (44 hours/cycle);

e. $50 for 10-week non-intensive English classes;

* A $35 non-refundable registration fee is included in the above rates for all services excluding Outreach Classes, workplace, and other contract classes.

Fees for classes developed with more or fewer hours of instruction will be calculated on the per hour rate for non-intensive classes ($1.25 per hour).

5. Locations

a. Intensive and Non-intensive ESL Components

The Contractor's Intensive ESL operation will be housed at the Clarendon Education Center, 2801 Clarendon Boulevard, Arlington, Virginia. Thomas Jefferson Middle School, located at 125 Old South Glebe Road will be available as a satellite center. In the event that enrollments cannot be accommodated at these centers, classes will also be held at nearby schools. Non-intensive classes will be held Thomas Jefferson Middle School, Columbia Grove Apartment Complex, the Arlington County Detention Facility, and other locations as needed.

b. Outreach ESL Centers

There are currently four (4) community-based ESL instruction sites in Arlington County: Harvey Hall, Buckingham Village, Virginia Gardens, and Fairlington. ESL Intensive Scholarships (S and FS)
Guidelines and Procedures, Application Form, and Approval Letter
FY 2011-2012

I. General Principles:

A. A limited number of scholarships will be available to eligible Arlington residents and parents with limited language proficiency for up to 3 cycles per applicant during a five year period. Non-Arlington residents and individuals with valid non-immigrant visa classifications are not eligible for scholarships. Priority for parent scholarships (FS) will be given to parents of Arlington Public Schools children.

B. In the event that the number of eligible scholarship applicants exceeds the number of scholarships available for a quarter, scholarships will be distributed on a lottery basis. The lottery will be weighted as follows: 70% of new scholarship distributions will be available to beginning levels (100-250), 20% to intermediate levels (300-450), and 10% to advanced levels (500-650). In the event that an applicant loses the lottery for a given cycle and maintains eligibility in the subsequent cycle, the applicant may reapply for a scholarship and be waived from the lottery.

C. The following groups automatically receive a scholarship and do not participate in the lottery provided that they maintain scholarship eligibility:
   1. Current scholarship recipients in good standing for a 2nd or 3rd scholarship.
   2. Scholarship applicants who lost the lottery in the previous cycle, registered as a tuition student for that cycle, and maintained scholarship eligibility.

II. Specific Procedures:

A. Distribution
Each site will have an annual allocation of scholarships provided from county, state, or federal funds. Quarterly distributions of scholarships will be made based on the balance of scholarships available after all repeat scholarships, and scholarship losers have been awarded. The balance will then be used to determine the number of scholarships to be awarded.

B. Application for scholarship lottery

1. Currently enrolled new applicants
Teachers will announce dates for scholarship orientations and general qualifications. New applicants attend a scholarship orientation and complete the scholarship application form (Form A) at the same time. In addition to continued residency in Arlington, currently enrolled applicants may not have had more than 5 absences during their current enrollment. Visa status information will be accepted by a signed self-attestation on Form A.

2. New applicants who are not currently enrolled
Information about scholarship orientations will be available at the first testing for applicants who inquire about financial assistance. New applicants attend a scholarship orientation and complete the scholarship application form (Form A) at the same time. Applicant must show proof of Arlington residency. Visa status information will be accepted by a signed self-attestation on Form A. In the event that the
number of eligible scholarship applicants exceeds the number of scholarships available for a quarter, completed applications will be placed in the lottery. Names will be drawn approximately 10 days prior to enrollment.

C. Arlington Residency
Proof of Arlington residency is required. One of the following documents must be presented: A valid driver's license, a DMV identification card, a lease or rental agreement, a bank statement, utility bill or correspondence from an official government agency. Third party documents will not be accepted as proof of residency for scholarship applications. (See Appendix 1a for valid proof of residency list). Documentation will consist of an intake worker's initials attesting to reviewing the documents.

Individuals who hold valid non-immigrant visa are not eligible for scholarships. Visa status is determined by self-attestation on the registration form prior to discussions of scholarship procedures. No documents will be reviewed.

D. Reaplication
Currently enrolled scholarship recipients will receive a repeat scholarship if they continue to reside in Arlington and have good attendance. Good attendance is determined as 5 or fewer absences during a cycle. Students with more than 5 absences may be excused for medical reasons. Proof of medical attention is required. These recipients may receive a second or third scholarship (based on availability) without need to participate again in a lottery drawing. Good standing and continued residence will be determined from attendance card and re-registration forms. No new application is required.

E. The Lottery Drawing and Notification
In the event that the number of eligible scholarship applicants exceeds the number of scholarships available for a quarter, scholarships will be distributed on a lottery basis. The lottery drawing will be conducted by REEP Office Staff approximately 10 days prior to enrollment at the site for which enrollment is scheduled. Students will be invited to be present at the lottery. Names will be announced immediately. Scholarship approval letters will be sent to new students. Scholarship approval letters will be distributed in class to students who are currently enrolled.

F. Enrollment
Students selected to receive scholarships must enroll during the early enrollment period and must pay a non-refundable $35 testing/registration fee for class.
