AGREEMENT NO. 313-08

THIS AGREEMENT is made, on the date of execution by the County, between
The Howard E. Nyhart Company, Inc., d/b/a Alliance Benefit Group of
Indiana, 9320 Priority Way West Drive, Indianapolis, Indiana 46240
(“Contractor”), a State of Indiana Corporation authorized to do
business in the Commonwealth of Virginia, and the County Board of
Arlington County, Virginia (“County”). The County and the Contractor,
for the consideration hereinafter specified, agree as follows:

CONTRACT DOCUMENTS
The Contract Documents consist of this Agreement, Exhibit A (Scope of
Services), and Exhibit B (Contract Rates). Where the terms and
provisions of this Agreement vary from the terms and provisions of the
other Contract Documents, the terms and provisions of this Agreement
shall prevail over the other Contract Documents and Exhibit A shall
prevail over Exhibit B.

The Contract Documents set forth the entire Agreement between the
County and the Contractor. The County and the Contractor agree that no
representative or agent of either of them has made any representation
or promise with respect to this Agreement which is not contained in the
Contract Documents, and that all terms and conditions with respect to
this Agreement are expressly contained herein. The Contract Documents
shall constitute the Contract.

SCOPE OF WORK
The Contractor agrees to perform the services described in the Contract
Documents (alternatively, the “Work”). The primary purpose of the Work
is to create and provide to the County Actuarial and Post Employment
the minimum Work estimated by the County and the Contractor to be
necessary to complete the Work. It shall be the Contractor's
responsibility, at the Contractor’s sole cost, to provide the specific
services set forth in the Contract Documents and sufficient services to
fulfill the purposes of the Work. Nothing in the Contract Documents
shall be construed to limit the Contractor's responsibility to manage
the details and execution of its Work.

PROJECT OFFICER
The performance of the Contractor required by this Agreement is subject
to the review and approval of the County Project Officer, who shall be
appointed by the Director of the Arlington County Department of Human
Services or designee. However, it shall be the responsibility of the
Contractor to manage the details of the execution and performance of
its Work under this Contract.
CONTRACT TERM
Work under this Agreement will commence upon the date of execution of this Agreement by the County and will be completed no later than January 31, 2010 ("Initial Contract Term"), subject to any modifications as provided for in the Contract Documents. Upon satisfactory performance of the Contractor and with the concurrence of the Contractor, the County may, through issuance of a Notice of Award authorize continued operations of the Contractor for not more than six (6) additional twelve (12) month periods from February 1, 2010 to January 31, 2016 (Each period is referred to as "Subsequent Contract Term"). Notwithstanding anything herein to the contrary, the Contract Amount for each extension period shall be in an amount not to exceed the funds appropriated for the Contract by the County Board of Arlington County, Virginia for the Subsequent Contract Term.

CONTRACT AMOUNT
The County will pay the Contractor in accordance with the terms of the Payment paragraph and Exhibit B for the Contractor’s completion of the Work described and required in the Contract Documents subject to the terms and conditions in those documents. The Contractor agrees that it shall complete the Work for the total Contract Amount specified in this section unless such amount is modified as provided in this Agreement. The Contract Amount includes all of Contractor’s costs and fees (profit).

CONTRACT EXTENSION WITH PRICE ADJUSTMENTS NEGOTIATED UP TO CPI-U
The Contract Rates shall remain firm for the first two years of the Contract Term, in accordance with Exhibit B. The Contract Rates for each ensuing Contract year, if the County elects to extend the Contract, shall be negotiated by the County and the Contractor. Increases in the price(s) for ensuing years shall not exceed the percentage of change in the U.S. Department of Labor, Consumer Price Index, All Items, Unadjusted, Urban Areas (CPI-U) for the twelve (12) month period ending in August of each Contract Year.

If the Contractor and the County do not agree on a price using the procedure set forth above by the thirtieth (30th) day prior to the end of the initial Contract Term or the end of ensuing renewal term or terms, the County will terminate the Contract whether or not the County has previously elected to extend the term. The Contract unit price(s) changed as a result of this procedure shall become effective on the anniversary date of the Contract and shall be binding on the Contractor for the ensuing renewal term or terms.

PAYMENT
The Contractor will be paid monthly. Within ten (10) days after the last day of each month the Contractor shall submit, for approval by the Project Officer, an invoice describing the total Work done, by Task, during the preceding month. The Project Officer shall either approve the invoice or require corrections. The County will pay the Contractor within thirty (30) days after the date of receipt of a correct (as determined by the Project Officer) invoice approved by the Project Officer. The amount paid shall be based on the estimate of the percentage of the total Work under each Task completed during the
month, subject to the Project Officer's acceptance of the Work and the estimate. If the Contractor has been paid ninety percent (90%) of the Contract Amount for any Task and Work under that Task is not complete, the remaining amount due for that Task will be paid to the Contractor only after all Work on that Task is completed. The total amount paid for each Task shall not exceed the amount allocated for the Task, regardless of the number of hours spent or the amount of expenses incurred by the Contractor in the performance of the Work. The number of the Purchase Order by which authority shipments have been made or services performed shall appear on all invoices. Invoices shall be submitted in duplicate.

REIMBURSABLE EXPENSES
No reimbursable expenses are allowed under this Agreement. The Contract Rates include all costs of providing the services described in this Agreement to the County.

ARLINGTON COUNTY BUSINESS LICENSES
The Contractor must comply with the provisions of Chapter 11 (Business Licenses) of the Arlington County Code.

NON-DISCRIMINATION NOTICE
Arlington County does not discriminate against faith-based organizations.

COUNTY EMPLOYEES
No employee of Arlington County, Virginia shall be admitted to any share or part of this Contract or to any benefit that may arise therefrom which is not available to the general public.

EMPLOYMENT DISCRIMINATION BY CONTRACTOR PROHIBITED
During the performance of this contract, the contractor agrees as follows:

A. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability or any other basis prohibited by state law related to discrimination in employment except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

B. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an Equal Opportunity Employer.

C. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

D. The contractor will comply with the provisions of the Americans with Disabilities Act of 1990 which prohibits discrimination against individuals with disabilities in employment and mandates
their full participation in both publicly and privately provided services and activities.

E. The contractor will include the provisions of the foregoing paragraphs in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

DRUG-FREE WORKPLACE TO BE MAINTAINED BY CONTRACTOR

During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with the Arlington County Resolution, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

INDEMNIFICATION

The Contractor covenants to save, defend, hold harmless, and indemnify the County, and all of its elected and appointed officials, officers, employees, agents, departments, agencies, boards, and commissions (collectively the "County") from and against any and all claims, losses, damages, injuries, fines, penalties, costs (including court costs and attorney's fees), charges, liability, or exposure, however caused, resulting from, arising out of, or in any way connected with the Contractor's intentional, negligent, or grossly negligent acts or omissions in performance or nonperformance of its work called for by the Contract Documents. This indemnification shall survive the termination of this Contract.

COUNTY PURCHASE ORDER REQUIREMENT

County purchases of goods over $5,000.00 per transaction and purchases of services over $500 per transaction are authorized only if a County Purchase Order is issued in advance of the transaction, indicating that the ordering agency has sufficient funds available to pay for the purchase. A purchase order will be issued for any purchase if the vendor requires a purchase order for its records. The County will not be liable for payment for any purchases of goods over $5,000 per transaction or purchases of services over $500 per transaction made by its employees without appropriate purchase authorization issued by the County Purchasing Agent. Contractors providing goods or services without a signed County Purchase Order do so at their own risk and must...
satisfy themselves that the ordering person or agency is authorized to purchase goods or services in the name of the County. Please direct questions regarding this requirement to the County Procurement Officers at 703-228-3410.

ADJUSTMENTS FOR CHANGE IN SCOPE
The County may order changes in the work within the general scope of the work consisting of additions, deletions or other revisions. No claim may be made by the Contractor that the scope of the project or of the Contractor's services has been changed requiring adjustments to the amount of compensation due the Contractor unless such adjustments have been made by a written amendment to the Contract signed by the County and the Contractor. If the Contractor believes that any particular work is not within the scope of the project or is a material change or otherwise will call for more compensation to the Contractor, the Contractor must immediately notify the Project Officer in writing of this belief. Within ten (10) days after any change or event which the Contractor believes calls for more compensation, the Contractor must provide to the Project Officer a proposal which sets forth the amount of additional compensation claimed, together with the basis therefor and supportive documentation for the amount. The Contractor will not be compensated for performing any work unless a proposal complying with this paragraph has been submitted in the time specified above and a written amendment has been signed by the County and the Contractor and a County purchase order is issued covering the cost of the services to be provided under the amendment. If the Project Officer believes that the work is within the scope of the Contract as written, the Contractor will be ordered to continue work.

FAILURE TO DELIVER
In case of failure to deliver goods or services in accordance with the Contract terms and conditions, the County, after due oral or written notice, may procure the goods or services from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs; provided, that if public necessity requires the use of materials or supplies not conforming to the specifications, they may be accepted and payment therefor shall be made at a reduction in price to be determined solely by the County. This remedy shall be in addition to any other remedies, which the County may have. The County shall be entitled to offset such costs against any sums owed by the County to the Contractor.

ETHICS IN PUBLIC CONTRACTING
This Contract incorporates by reference Article 9 of the Arlington County, Virginia, Purchasing Resolution, as well as any state or federal law related to ethics, conflicts of interest, or bribery, including by way of illustration and not limitation, the Virginia State and Local Government Conflict of Interests Act, the Virginia Governmental Frauds Act, and Articles 2 and 3 of Chapter 10 of Title 18.2 of the Virginia Code, as amended. The Contractor certifies that its offer is made without collusion or fraud and that it has not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer, or subcontractor and that it has not
conferred on any public employee having official responsibility for this purchase any payment, loan, subscription, advance, deposit of money, services, or anything of more than nominal value, present or promised unless consideration of substantially equal or greater value was exchanged.

LIABILITY
The Contractor shall not be held responsible for failure to perform the duties and responsibilities imposed by this Contract if such failure is due to strikes, fires, riots, rebellions, or Force Majeure, beyond the control of the Contractor, that make performance impossible or illegal, unless otherwise specified in the Contract.

The County shall not be held responsible for failure to perform the duties and responsibilities imposed by the Contract if such failure is due to strikes, fires, riots, rebellions, or Force Majeure, beyond the control of the County, that make performance impossible or illegal, unless otherwise specified in the Contract.

ASSIGNMENT
The Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of any award, or any or all of its rights, obligations, or interests under this Contract, without the prior written consent of the County.

APPLICABLE LAW
This Contract and the work performed hereunder shall be governed in all respects by the laws of the Commonwealth of Virginia and the venue for any litigation with respect thereto shall be in the Circuit Court for Arlington County, Virginia, and in no other court. In performing the Work under this Contract, the Contractor shall comply with applicable federal, state, and local laws, ordinances and regulations.

HIPAA COMPLIANCE
The Contractor shall comply with all applicable legislative and regulatory requirements of privacy, security and electronic transaction components of the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

Failure of a firm to provide such documentation shall be grounds for cancellation of the award.

The County will not be legally responsible for any negligence or other wrongdoing by the Contractor, its employees, servants or agents. The County will not withhold payments to the Contractor for any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to the Contractor. Further, the County will not provide to the Contractor any insurance coverage or other benefits, including Workers' Compensation, normally provided by the County for its employees.

The time limit for final written decision by the County Manager in the event of a contractual dispute, as that term is defined in the Purchasing Resolution, is fifteen (15) days. Procedures for considering contractual claims, disputes, administrative appeals, and protests are contained in the Purchasing Resolution, incorporated herein by reference, and available upon request from the Office of the Purchasing Agent.

ARBITRATION
It is expressly agreed that nothing under the Contract shall be subject to arbitration, and any references to arbitration are expressly deleted from the Contract.

PATENTS AND ROYALTIES
The Contractor covenants to save, defend, hold harmless, and indemnify the County, and all of its officers, officials, departments, agencies, agents, and employees (collectively the "County") from and against any
and all claims, losses, damages, injuries, fines, penalties, costs (including court costs and attorney's fees), charges, liability, or exposure, however caused, for or on account of any trademark, copyright, patented or unpatented invention, process, or article manufactured or used in the performance of this Contract, including its use by the County. If the Contractor uses any design, device, or materials covered by letters patent or copyright, it is mutually agreed and understood, without exception, that the Contract price includes all royalties or costs arising from the use of such design, device, or materials in any way involved with the work.

CONFIDENTIALITY AND RETURN OF RECORDS
The Contractor agrees that all findings, memoranda, correspondence, documents or records of any type, whether written or oral, and all documents generated by the Contractor or its subcontractors as a result of the County's request for services under this Contract, are confidential records ("Record" or "Records"), and neither the Records nor their contents shall be released by the Contractor, its subcontractors, or other third parties; nor shall their contents be disclosed to any person other than the Project Officer or designee. The Contractor agrees that all oral or written inquiries from any person or entity regarding the status of any Record generated as a result of the existence of this Contract shall be referred to the Project Officer or designee for response. At the County's request, the Contractor shall deliver all Records to the Project Officer, including "hard copies" of computer records, and at the County's request, shall destroy all computer records created as a result of the County's request for services under this Contract.

The Contractor agrees to include the provisions of this section as part of any Contract or Agreement the Contractor enters into with subcontractors or other third parties for work related to work pursuant to this Agreement.

No termination of this Agreement shall have the effect of rescinding, terminating or otherwise invalidating this section.

Similarly, no termination of this Agreement shall have the effect of rescinding, terminating or otherwise invalidating the rights acquired pursuant to the provisions of this "Copyright" paragraph.
The use of subcontractors or third parties in developing or creating input into any copyrightable materials produced as a part of this Agreement is prohibited unless the County approves the use of such subcontractors or third parties in advance and such subcontractors or third parties agree to include the provisions of this paragraph as part of any contract they enter into with the Contractor for work related to work under this Contract.

**PAYMENT OF SUBCONTRACTORS**

The Contractor is obligated to take one of the two following actions within seven (7) days after receipt of amounts paid to the Contractor by the County for work performed by any subcontractor under this Contract:

a. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Contract; or

b. Notify the County and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

The Contractor is obligated to pay interest to the subcontractor on all amounts owed by the Contractor that remain unpaid after seven (7) days following receipt by the Contractor of payment from the County for work performed by the subcontractor under this Contract, except for amounts withheld as allowed in b., above. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to the above provisions may not be construed to be an obligation of the County. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

**AUDIT**

The Contractor agrees to retain all books, records and other documents related to this procurement for at least five (5) years after final payment, or until audited by the County, whichever is sooner. The County or its authorized agents shall have full access to and the right to examine any of the above documents during this period. If the Contractor wishes to destroy or dispose of records (including confidential records to which the County does not have ready access) after the County's audit but within five (5) years after final payment, the Contractor shall notify the County at least thirty (30) days prior to such disposal, and if the County objects, shall not dispose of the records.
PROJECT STAFF
The County will, throughout the Contract Term and any renewal term, have the right of reasonable rejection and approval of staff or subcontractors assigned to the project by the Contractor. If the County reasonably rejects staff or subcontractors, the Contractor must provide replacement staff or subcontractors satisfactory to the County in a timely manner and at no additional cost to the County. The day-to-day supervision and control of the Contractor's employees, and employees of any of its subcontractors, shall be solely the responsibility of the Contractor.

SUPERVISION BY CONTRACTOR
The Contractor shall at all times enforce strict discipline and good order among the workers performing under this Contract, and shall not employ on the work any person not reasonably proficient in the work assigned.

REPORT STANDARDS
Reports or written material prepared by the Contractor in response to the requirements of this Contract shall, unless otherwise provided for in the Contract, meet standards of professional writing established for the type of report or written material provided, shall be thoroughly researched for accuracy of content, shall be grammatically correct and not contain spelling errors, shall be submitted in a format approved in advance by the Project Officer, and shall be submitted for advance review and comment by the Project Officer. The cost of correcting grammatical errors, correcting report data, or other revisions required to bring the report or written material into compliance with the Contract requirements shall be borne by the Contractor.

When submitting documents to the County, The Contractor shall comply with the following guidelines:

- All submittals and copies shall be printed on at least 30% recycled-content and/or tree free paper;
- All copies shall be double-sided;
- Report covers or binders shall be recyclable, made from recycled materials, and/or easily removable to allow for recycling of report pages (reports with glued bindings that meet all other requirements are acceptable);
- The use of plastic covers or dividers should be avoided; and
- Unnecessary attachments or documents not specifically asked for should not be submitted, and superfluous use of paper (e.g. separate title sheets or chapter dividers) should be avoided.

NONAPPROPRIATION
All funds for payments by the County under this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County. In the event of nonappropriation of funds by the County Board of Arlington County for the goods or services provided under this Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the then current fiscal
year or when the appropriation made for the then current year for the 
services covered by this Contract is spent, whichever event occurs 
first. If funds are not appropriated at any time for the continuation 
of this Contract, cancellation will be accepted by the Contractor on 
 thirty (30) days prior written notice, but failure to give such notice 
shall be of no effect and the County Board of Arlington County shall 
not be obligated under this Contract beyond the date of termination.

TERMINATION FOR DEFAULT
The Contract will remain in force for the full period specified and 
until the County determines that all requirements and conditions have 
been satisfactorily met and the County has accepted the Work, and 
thereafter until the Contractor has met all requirements and conditions 
relating to the Work under the Contract Documents following the Initial 
Contract Term and all Subsequent Contract Terms, including warranty and 
guarantee periods. However, the County will have the right to 
terminate this Contract sooner if the Contractor has failed to perform 
satisfactorily the Work required, as determined by the County in its 
discretion.

In the event the County decides to terminate this Contract for failure 
to perform satisfactorily, the County will give the Contractor at least 
fifteen (15) days written notice before the termination takes effect. 
Such fifteen (15) day period will begin upon the mailing of notice by 
the County. If the Contractor fails to cure the default within the 
fifteen (15) days specified in the notice and the Contract is 
terminated for the Contractor's failure to provide satisfactory 
Contract performance, the Contractor will be entitled to receive 
compensation for all Contract services satisfactorily performed by the 
Contractor and allocable to the Contract and accepted by the County 
before such termination. However, an amount equal to all additional 
costs required to be expended by the County to complete the Work 
covered by the Contract, including costs of delay in completing the 
project, shall be either subtracted from any amount due the Contractor 
or charged to the Contractor in the event the County terminates the 
Contract.

Except as otherwise directed by the County, or in the case of 
termination for default (in which event the Contractor may be entitled 
to cure, at the option of the County), the Contractor shall stop Work 
on the date of receipt of notice of the termination or other date 
specified in the notice, place no further orders or subcontracts for 
materials, services, or facilities except as are necessary for the 
completion of such portion of the Work not terminated, and terminate 
all vendors and subcontracts and settle all outstanding liabilities and 
claims.

In the event any termination for default shall be found to be improper 
or invalid by any court of competent jurisdiction, then such 
termination shall be deemed to have been a termination for convenience.

TERMINATION FOR THE CONVENIENCE OF THE COUNTY
The performance of work under this Contract may be terminated by the 
Purchasing Agent in whole or in part whenever the Purchasing Agent
shall determine that such termination is in the County's best interest. Any such termination shall be effected by the delivery to the Contractor of a written notice of termination at least fifteen (15) days before the date of termination, specifying the extent to which performance of the work under this Contract is terminated and the date upon which such termination becomes effective.

After receipt of a notice of termination and except as otherwise directed the Contractor shall stop all work on the date of receipt of the notice of termination or other date specified in the notice; place no further orders or subcontracts for materials, services or facilities except as are necessary for the completion of such portion of the work not terminated; immediately transfer all documentation and paperwork for terminated work to the County; and terminate all vendors and subcontracts and settle all outstanding liabilities and claims.

REQUIREMENTS CONTRACT (ESTIMATED QUANTITIES)
During the Contract Term, the Contractor will furnish all of the items or services described in the Contract Documents if so requested by the County. The Contractor understands and agrees that this is a requirements contract and the County will have no obligation to the Contractor if no items or services are required or requested by the County. Any quantities which are included in the Contract Documents are the present expectations of those who are planning for the County for the period of the contract. The amount is only an estimate and the Contractor understands and agrees that the County is under no obligation to the Contractor to buy any amount as a result of having provided this estimate or of having had any normal or otherwise measurable requirement in the past. The Contractor further understands that the County may require services in excess of the estimated annual Contract amount and that such excess shall not give rise to any claim for compensation other than at the unit prices in this Contract.

INSURANCE REQUIREMENTS
The Contractor shall provide to the County Purchasing Agent a Certificate of Insurance indicating that the Contractor has in force the coverage below prior to the start of any Work under this Contract. The Contractor agrees to maintain such insurance until the completion of this Contract. All required insurance coverages must be acquired from insurers authorized to do business in the Commonwealth of Virginia and acceptable to the County. The minimum insurance coverage shall be:

Workers Compensation - Virginia Statutory Workers Compensation (W/C) coverage including Virginia benefits and employers liability with limits of $100,000/100,000/500,000. The County will not accept W/C coverage issued by the Injured Worker's Insurance Fund, Towson, MD.

Commercial General Liability - $1,000,000 combined single limit coverage with $1,000,000 general aggregate covering all premises and operations and including Personal Injury, Completed Operations, Contractual Liability, Independent Contractors, and Products Liability. The general aggregate limit shall apply to
this Contract. Evidence of Contractual Liability coverage shall be typed on the certificate.

Professional/Miscellaneous Errors and Omission - $1,000,000 per occurrence/claim which will pay for injuries arising out of errors or omissions in the rendering, or failure to render professional services.

Additional Insured - Arlington County, its officers, elected and appointed officials, and employees shall be named as an additional insured in the Contractor's Commercial General Liability policy; evidence of the Additional Insured endorsement shall be typed on the certificate.

Cancellation - All insurance policies required hereunder shall be endorsed to include the following provision: "It is agreed that this policy is not subject to cancellation, non-renewal, material change, or reduction in coverage until thirty (30) days prior written notice has been given to the Purchasing Agent, Arlington County, Virginia." Therefore, the words "endeavor to" and "but failure to mail such notice shall impose no obligation of liability of any kind upon the company, its agents or representatives" are to be eliminated from the cancellation provision of standard ACORD certificates of insurance.

Contract Identification - The insurance certificate shall state this Contract's number and title.

Business Automobile Liability - $500,000 Combined Single Limit (Owned, non-owned and hired).

The Contractor shall carry Professional Liability insurance which will pay for injuries arising out of errors or omissions in the rendering, or failure to render professional services or perform Work under the contract, in the amount of $1,000,000.

The Contractor assumes all risks for direct and indirect damage or injury to the property or persons used or employed on or in connection with the Work contracted for, and of all damage or injury to any person or property wherever located, resulting from any action, omission, commission or operation under the Contract, or in connection in any way whatsoever with the contracted Work.

No acceptance or approval of any insurance by the County shall be construed as relieving or excusing the Contractor from any liability or obligation imposed upon the Contractor by the provisions of the Contract Documents.

The Contractor shall be responsible for the Work performed under the Contract Documents and every part thereof, and for all materials, tools, equipment, appliances, and property of any description used in connection with the Work. The Contractor shall be as fully responsible to the County for the acts and omissions of its subcontractors and of persons employed by them as
it is for acts and omissions of persons directly employed by it.

Notwithstanding any of the above, the Contractor may satisfy its obligations under this section by means of self insurance for all or any part of the insurance required, provided that the alternative coverages are submitted to and acceptable to the County.

NONEXCLUSIVITY OF REMEDIES
All remedies available to the County under this contract are cumulative and no such remedy shall be exclusive of any other remedy available to the County at law or in equity.

AMENDMENTS
This Contract shall not be amended except by written amendment executed by persons duly authorized to bind the Contractor and the County.

SEVERABILITY
