I. INSTRUCTIONS TO BIDDERS

1. ADDITIONAL INFORMATION
All questions relating to this solicitation shall be submitted in writing to Mr. Ashley Barnes in the Office of the Purchasing Agent, at abarnes@arlingtonva.us. For a question to be considered, the subject line of the email must state the following: ITB No. 242-11 Questions. Questions should be succinct and must include the submitter's name, title, company name, company address, and telephone number. Bidders are prohibited from contacting County staff other than the Office of the Purchasing Agent.

NO QUESTIONS WILL BE CONSIDERED IF THEY ARE SUBMITTED WITHIN THE SEVEN (7) CALENDAR DAYS IMMEDIATELY PRECEDING THE DEADLINE FOR RECEIPT OF BIDS.

If any questions or responses require revisions to this solicitation as it was originally published, such revisions will be by formal amendment only. Bidders are cautioned that any written, electronic, or oral representations made by any County representative or other person that appear to change materially any portion of the solicitation shall not be relied upon unless subsequently ratified by a written amendment to this solicitation issued by the Office of the Purchasing Agent.

2. COMPETITION INTENDED
It is Arlington County's intent that this solicitation promotes competition. It shall be the bidder's responsibility to advise Arlington County if any language, requirements or specifications have the effect of restricting or limiting the purchase to a single source. Such notification must be received by the Arlington County Purchasing Agent not later than fifteen (15) calendar days prior to the date and time set for bid opening. A review of such notifications will be made and the bidder notified of the results of the review.

3. BID FORM SUBMISSION
The required Bid Form is provided in the solicitation. One (1) fully-completed Bid Form with an original longhand signature, and a photocopy of the signed original (two (2) copies total), shall be submitted by hand, in a sealed envelope or package, to the Office of the Bid Clerk, Suite 511, 2100 Clarendon Boulevard, Arlington, Virginia, 22201, no later than the date and time deadline specified in the Invitation to Bid above. Timely submission is solely the responsibility of the bidder. Bid Forms received after the specified date and time will be rejected. The exterior of the envelope or package shall indicate the name of the bidder, the scheduled bid opening date and time, and the number of the Invitation To Bid. Bids submitted by facsimile or electronically will not be accepted.

A bidder's failure to submit a bid with a fully-completed Bid Form, using the Bid Form provided in this solicitation, shall be cause for rejection of that bidder's bid. A bid will be rejected if its corresponding Bid Form is not signed in the designated space by a person authorized to legally bind the bidder.
Modification of or additions to the Bid Form may be cause for rejection of the bid; however, Arlington County reserves the right to decide, on a case by case basis, in its sole discretion, whether or not to reject such a bid as nonresponsive. As a precondition to bid acceptance, Arlington County may, in its sole discretion, request that the bidder withdraw or modify any such modifications or additions which do not affect quality, quantity, price, or delivery.

Bids and all documents related to this solicitation submitted to Arlington County by a bidder or a prospective bidder shall, upon receipt by Arlington County, become the property of Arlington County.

4. **BIDDER CERTIFICATION**

Submission of a signed Bid Form is certification by the respective bidder that it is registered with the Virginia State Corporation Commission, if applicable, it is a legal entity authorized to enter into an agreement with the County, and that it will accept any award made to it as a result of the submission.

5. **EXCEPTIONS**

Bidders taking exception to any part or section or term of this solicitation, including, by way of illustration and not limitation, the Specifications, the Special Conditions, and any attachments or references hereto or thereto, shall indicate such exceptions on the Bid Form. Failure to indicate any exceptions shall be interpreted as the bidder's intent to fully comply with the solicitation as written. However, conditional or qualified bids with such exceptions, unless specifically allowed in this solicitation, are subject to rejection in whole or in part as nonresponsive.

6. **NONCONFORMING TERMS AND CONDITIONS**

If a bidder submits with its bid alternate terms and conditions that do not conform to the terms and conditions in this solicitation, the bid will be subject to rejection for unresponsiveness. Arlington County reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid prior to a determination by the County of unresponsiveness as a result of the submission of nonconforming terms and conditions.

7. **ERRORS IN EXTENSION**

Where the unit price and the extension price are at variance, the unit price will prevail.

8. **USE OF BRAND NAMES**

Unless identified as a "No Substitute" item in the solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to that specific brand, make or manufacturer. The use of the brand, make or manufacturer's identification is intended to convey the general type, style, character, and quality of the article described. Any article which the County in its sole discretion determines to be the equivalent of the article specified, considering quality, workmanship, economy of operation, and/or suitability for the intended use, may be accepted and considered for award. It is the bidder’s sole responsibility to only use substitutes that meet the above criteria.
9. "OR EQUIVALENT" BIDS - NOT USED

10. DISCOUNTS
Discounts contingent on payment of invoices by Arlington County within a stipulated period of time will be accepted as a component of a bid, but will not be considered by Arlington County when evaluating bid prices or when making an award.

11. EXPENSES INCURRED IN PREPARING BID
Arlington County accepts no responsibility for any expense incurred by any bidder in the preparation and presentation of a bid. All expenses related to a bid are the sole responsibility of the bidder.

12. SAMPLES - NOT USED

13. BIDDER INVESTIGATIONS
Before submitting a bid, each bidder must make all investigations and examinations necessary to ascertain all conditions and requirements affecting the full performance of the contract and to verify any representations made by Arlington County that the bidder will rely upon. No pleas of ignorance of such conditions and requirements resulting from failure to make such investigations and examinations will relieve the successful bidder from its obligation to comply in every detail with all provisions and requirements of the contract documents or will be accepted as a basis for any claim whatsoever for any monetary consideration on the part of the successful bidder.

14. INCOMPLETE DOCUMENTS
Each bidder is responsible for having determined the accuracy and/or completeness of the solicitation documents upon which it relied in making its bid, and has an affirmative obligation to notify the Arlington County Purchasing Agent immediately upon discovery of an apparent or suspected inaccuracy, error in, or omission of any pages, drawings, sections, or addenda whose omission from the documents was apparent from a reference or page numbering or other indication in the solicitation documents.

If a potential bidder downloaded an electronic version of the solicitation documents, that potential bidder is responsible for determining the accuracy and/or completeness of the electronic documents.

If the successful bidder proceeds with any activity that may be affected by an inaccuracy, error in, or omission in the solicitation documents, of which it is aware but has not notified the Arlington County Purchasing Agent, the bidder hereby agrees to perform any activity described in the missing or incomplete documents at bidder’s sole expense and at no additional cost to Arlington County.

15. QUALIFICATION OF BIDDERS
Each bidder may be required, before the award of contract, to show to the complete satisfaction of the Purchasing Agent that it has the necessary facilities, ability, and financial resources to comply with
the contract and furnish the service, material, or goods specified herein in a satisfactory manner. Each bidder may also be required to provide past history and references which will enable the Purchasing Agent to be satisfied as to the bidder's qualifications. Failure to qualify according to the foregoing requirements will justify bid rejection by Arlington County.

16. **DEBARMENT STATUS**
The bidder shall indicate, in the space provided on the Bid Form, whether or not it, or any of its principals, is/are currently debarred from submitting bids to Arlington County, Virginia, or any other state or political subdivision, and whether or not it is an agent of any person or entity that is currently debarred from submitting bids to Arlington County, Virginia, or any other state or political subdivision. An affirmative response may be considered grounds for rejection of the bid.

17. **ALTERNATE BID**
Bidders who have other items they wish to offer in lieu of or in addition to what is required by this solicitation shall submit a separate bid clearly marked "ALTERNATE BID". Alternate bids will be automatically deemed nonresponsive and will not be considered for award. Such bids will, however, be examined prior to awarding the contract contemplated herein and may result in either cancellation of all bids in order to permit rewriting of the solicitation to include the alternate item in a rebid or the alternate item may be considered for future requirements.

18. **NEW MATERIAL**
Unless otherwise provided for in this solicitation, the bidder represents and warrants that the goods, materials, supplies, or components offered to Arlington County under this solicitation and any resulting contract are new, not used or reconditioned, and are not of such age or deterioration as to impair their usefulness or safety, and that the goods, materials, supplies, or components offered are current production models of the respective manufacturer. If the bidder believes that furnishing used or reconditioned goods, materials, supplies or components will be in Arlington County's interest, the bidder shall notify the Purchasing Agent in writing no later than ten (10) business days prior to the date set for opening of bids. The notice shall include the reasons for the request and any benefits which may accrue to Arlington County if the Purchasing Agent authorizes the bidding of used or reconditioned goods, materials, supplies or components.

19. **INFORMALITIES**
Arlington County reserves the right to waive minor defects or variations from the exact requirements of the solicitation in a bid insofar as those defects or variations do not affect the price, quality, quantity, or delivery schedule of the goods, services and/or construction being procured. If insufficient information is submitted for Arlington
County to properly evaluate the bid by a bidder, Arlington County reserves the right to require such additional information as it may deem necessary after the bid opening time and date, provided that the information requested does not change the price, quality, quantity, or delivery schedule for the goods, services, or construction being procured.

20. **ARLINGTON COUNTY BUSINESS LICENSES**
The successful bidder must comply with the provisions of Chapter 11 ("Licenses") of the Arlington County Code, if applicable. For information on the provisions of that Chapter and its applicability to this solicitation, contact the Arlington County Business License Division, Office of the Commissioner of the Revenue, 2100 Clarendon Blvd., Suite 200, Arlington, Virginia, 22201, telephone number (703) 228-3060.

21. **AUTHORITY TO TRANSACT BUSINESS**
Any bidder organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Virginia Code, or as otherwise required by law. The proper and full legal name of the firm or entity and the identification number issued to the bidder by the State Corporation Commission must be written in the space provided on the Bid Form. Any bidder that is not required to be authorized to transact business in the Commonwealth shall include in its bid a statement describing why the bidder is not required to be so authorized. The County may require a firm to provide documentation prior to award which: 1) clearly identifies the complete name and legal form of the firm or entity (i.e. corporation, limited partnership, etc.), and 2) establishes that the firm or entity is authorized by the State Corporation Commission to transact business in the Commonwealth of Virginia. Failure of a prospective and/or successful bidder to provide such documentation shall be grounds for rejection of the bid or cancellation of the award. For further information refer to the Commonwealth of Virginia State Corporation Commission website at: www.scc.virginia.gov.

22. **BID WITHDRAWAL PRIOR TO BID OPENING**
No bid may be withdrawn after it is filed with the Bid Clerk unless the bidder makes a request in writing to the Arlington County Purchasing Agent prior to the time set for the opening of bids.

23. **WITHDRAWAL OF BID FROM CONSIDERATION AFTER BID OPENING**
After the opening of a bid, a bidder may withdraw its bid from consideration if the price of the bid is substantially lower than other bids due solely to a mistake therein, provided the bid is submitted in good faith, the mistake is a clerical mistake as opposed to a judgment mistake, and is actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of the bid, which unintentional error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. No partial
withdrawals of bids will be permitted after the time and date set for bid opening. The bidder must give notice in writing to the Arlington County Purchasing Agent of a claim of right to withdraw a bid and provide all original work papers, documents and other materials used in the preparation of the bid sought to be withdrawn, within two (2) business days after the date of bid opening. A bid may also be withdrawn if Arlington County fails to award or issue a notice of intent to award the bid within ninety (90) days after the date fixed for opening bids.

24. PARKING
At most Arlington County government facilities, parking for contractors’ vehicles is not provided by Arlington County. A contractor is responsible for the payment of any parking charges or fines resulting from illegal parking at any worksite(s).

25. REQUIREMENTS CONTRACT ACKNOWLEDGEMENT
Bidders acknowledge that the contract that will be entered into as a result of this solicitation will be a requirements contract. Arlington County will have no obligation to the successful bidder if no items or services or goods are required. Any quantities which are included in this solicitation are the present expectations of those who are planning for Arlington County for the period of the contract. The amount is only an estimate and each bidder understands and agrees that Arlington County is under no obligation to the successful bidder to buy any amount as a result of having provided this estimate or of having had any normal or otherwise measurable requirement in the past. Each bidder further understands that Arlington County may require items, services, or goods in excess of the estimated annual contract amount and that such excess shall not give rise to any claim for compensation other than at the unit prices in the contract.

26. TRADE SECRETS OR PROPRIETARY INFORMATION
Trade secrets or proprietary information submitted by a bidder or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection 4-101(2) of the Arlington County Purchasing Resolution may be exempted from public disclosure under the Virginia Freedom of Information Act "(VFOIA)". However, the bidder or contractor must invoke the protection of this subsection prior to or upon submission of the data or other materials, and must identify clearly and in writing, in the spaces provided on the Bid Form, the data or other materials sought to be protected and the reasons why protection is necessary or falls within the exceptions to the VFOIA. It is the bidder’s sole responsibility to defend such exemptions if challenged in a court of competent jurisdiction.

27. INTEREST IN MORE THAN ONE BID AND COLLUSION
Multiple bids received in response to this solicitation from an individual, firm, partnership, corporation, affiliate, or association under the same or different names will be rejected. Reasonable grounds for believing that a bidder is interested in more than one (1) bid for a solicitation both as a bidder and as a subcontractor for another
bidder will result in rejection of all bids in which the bidder is interested. However, a firm acting only as a subcontractor may be included as a subcontractor for two (2) or more bidders submitting a bid for the work. Any or all bids may be rejected if reasonable grounds exist for believing that collusion exists among any bidders. Bidders rejected under the above provisions shall be disqualified if they respond to a re-solicitation for the same work.

28. METHOD OF AWARD
Arlington County reserves the right to make the award on an aggregate or on a unit basis, whichever is considered by the Purchasing Agent, in his sole discretion, to be in the best interests of Arlington County. Bids identified by the bidder as being submitted in the aggregate or on an “all or none” basis will not be considered for award if the Purchasing Agent determines that it is in Arlington County's best interest to make a split award. Arlington County reserves the right to make the award to multiple bidders, under either an aggregate or unit price basis, but only if guidelines for assigning orders to multiple awardees are provided in the specifications contained in this solicitation.

Arlington County will award this solicitation to the lowest responsive and responsible bidder. However, Arlington County reserves the right to make the award to multiple bidders if guidelines for assigning orders to multiple awardees are provided in the specifications contained in this solicitation.

29. CONDITIONS OF THE RIDER CLAUSE - NOT USED

30. NOTICE OF DECISION TO AWARD
The County will post a written Notice of Decision to Award in the Office of the Bid Clerk, Suite 511, 2100 Clarendon Boulevard, Arlington, Virginia, 22201, stating the date the decision to award was made, and identifying the name(s) of the awardee(s).

the same right or any other right.

42. SEVERABILITY
The sections, paragraphs, sentences, clauses and phrases of this Contract are severable, and if any phrase, clause, sentence, paragraph or section of this Contract shall be declared invalid by a court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Contract.
