Re: Conditional Acceptance of Renewal Term for Contract #257-10LW Refuse & Recycling Collection - County Facilities

Dear Lusonja;

In response to your notice of renewal, I understand the magnitude and effects of the current economic and financial climate. We are experiencing the same effects here at Bates. However, it is my desire to work out a reasonable solution that can maintain the current pricing for the County while helping us absorb the ever increasing operational costs. To that effect, I would like to offer to maintain the current pricing unchanged at the existing levels for a term of 3 (three) years, provided that the County modifies the existing Contract to reflect a new term of 3 (three) years. The new term should start on November 3, 2013 and end on October 31, 2016.

Attached you will find a new Certificate of Insurance you’ve requested; the original will be sent out to your office via postal mail tomorrow.

We look forward to working with you in the future. If you have any questions please feel free to give me a call: @ (301) 773-2069 x322

Sincerely,

Bruce A. Bates
