Exhibit B
Labor Rate Update for Contract #445-09 & 445-09M
Purchasing Authority 35-11

October 15, 2014

The labor rates provided below are for Time and Materials (T&M) "Pay-for-Use" Help Desk support. These rates are based on Lockheed Martin Desktop Solutions, Inc.'s (DSI) GSA Schedule 70 Supply Schedule Contract #GS-35F-0636K. Each year on October 1, our established GSA hourly labor rates increase by 4% as approved by the Federal government. As a condition of our GSA contract, these labor rates cannot be altered. The GSA Schedule pricing matrix is used as a baseline for calculating labor rates for Non-Federal customers such as Arlington County. Please note that a variance exists between Non-GSA labor rates that Arlington County is operating under and GSA labor rates.

In addition to the "Pay-for-Use" General Help Desk labor, Lockheed Martin DSI offers higher skilled labor such as Project Management and custom Engineering and Escalation support at higher T&M hourly rates. While our current contract with Arlington County, Contract #445-09M, does not include these services, Arlington County can procure the services at the higher stated rate, if needed. Should Arlington County determine that these labor services are required, please refer to the table below for our labor rates. LMDSI's current GSA Schedule 70 contract expires on September 11, 2015. Forward pricing quoted is for budgetary purposes only. LMDSI will renew our GSA Schedule 70 contract during the GSA assigned renewal period prior to current contract expiration.

CONTRACT DOCUMENTS
The Contract Documents consist of this Agreement, Exhibit A (Statement of Work), Exhibit B (Additional/Optional Costs), Exhibit C (Deliverables Payment Schedule), Exhibit D (Software License Terms, and Exhibit E (Nondisclosure and Data Security Agreement). Where the terms and provisions of this Agreement vary from the terms and provisions of the other Contract Documents, the terms and provisions of this Agreement shall prevail over the other Contract Documents.

The Contract Documents set forth the entire Agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either of them has made any representation or promise with respect to this Agreement which is not contained in the Contract Documents, and that all terms and conditions with respect to this Agreement are expressly contained herein. The Contract Documents shall constitute the Contract.

SCOPE OF WORK
The Contractor agrees to perform the services described in the Contract Documents (alternatively, the "Work" or "Project"). It shall be the Contractor's responsibility, at the Contractor's sole cost, to provide the specific services set forth in the Contract Documents and any other services needed to fulfill the purposes of the Work. Nothing in the Contract Documents shall be construed to limit the Contractor's responsibility to manage the details and execution of its Work.
