Warranty on or Maintenance Services for any Product ordered during the term of the Contract may extend beyond the term of this Contract. Performance of an order or SOW issued during the term of this Contract may survive the expiration of the term of this Contract, in which case all terms and conditions required for the operation of such order or SOW shall remain in full force and effect until the Warranty or Maintenance Services pursuant to such order or SOW have met the final Acceptance criteria of the applicable Authorized User.

B. Termination for Convenience

C. Termination for Breach or Default
VITA shall have the right to terminate this Contract, in whole or in part, or any order issued hereunder, in whole or in part, or an Authorized User may terminate an order, in whole or in part, for breach and/or default of Supplier. In addition, if Supplier is found by a court of competent jurisdiction to be in violation of or to have violated 31 USC 1352 or if Supplier becomes a party excluded from Federal Procurement and Non-procurement Programs, VITA may immediately terminate this Contract, in whole or in part, for breach. VITA shall provide written notice to Supplier of such termination and Supplier shall provide written notice to VITA if Supplier is charged with violation of 31 USC 1352 or if federal debarment proceedings are instituted against Supplier.

D. Termination for Non-Appropriation of Funds
All payment obligations under this Contract are subject to the availability of legislative appropriations at the federal, state, or local level, for this purpose. Written notice will be provided to the Supplier as soon as possible after legislative action is completed.

E. Effect of Termination
Upon termination, neither the Commonwealth, nor VITA, nor any Authorized User shall have any future liability except for Products or certain Maintenance or other Services accepted by the Authorized User prior to the termination date.

F. Transition of Services
Prior to or upon expiration or termination of this Contract and at the request of VITA, Supplier shall provide all assistance as VITA or an Authorized User may reasonably require to transition Product-related Services to any other supplier with whom VITA or such Authorized User contracts for provision of Product-related services. This obligation may extend beyond expiration or termination of the Contract for a period not to exceed six (6) months. In the event of a termination for breach and/or default of Supplier, Supplier shall provide such assistance at no charge or fee to VITA or any Authorized User; otherwise, Supplier shall provide such assistance at the hourly rate or a charge agreed upon by Supplier and VITA or an Authorized User.

G. Contract Kick-Off Meeting

Any closeout documentation not received within 30 days of Supplier's receipt of our request will be documented in the contract file as Supplier non-compliance. Supplier's non-compliance may affect any pending payments due the Supplier, including final payment, until the documentation is returned.

4. DELIVERY, INSTALLATION AND ACCEPTANCE

A. Delivery Procedure
Supplier shall deliver all Product F.O.B. destination, with such destination being the "ship to" address specified in the applicable order. Each shipment shall include a packing slip indicating this Contract number, the Authorized User's order number, the part number, a description of the Product shipped and the quantity shipped. Each package in any shipment shall be numbered, shall have stenciled on one end and one side a description of the quantity of Product contained therein by part number and description, and shall conspicuously display the number of the package in that shipment which contains the packing slip. Title to Product, excluding System Software, shall pass upon Acceptance.

Product delivered without the appropriate and required documentation shall be considered "shipped short" until the applicable documentation has been received.

B. Late Delivery
Supplier hereby acknowledges and agrees that failure to deliver the Product ordered in strict accordance with the agreed upon delivery schedule determined in accordance with this Section shall constitute a material breach of this Contract resulting in damages to the ordering Authorized User, the total sum of which would be impracticable or difficult to ascertain as of the Effective Date of this Contract. Product Trade-In and Upgrade

(To be determined prior to contract execution)
C. Product Acceptance

Product and/or Deliverables shall be considered accepted by Authorized User upon delivery, unless notice of rejection is provided to Supplier's authorized representative within 5 days after such delivery.

5. PRODUCT SUPPORT AND ADDITIONAL SERVICES

A. Authorized User or Third Party Support

1. Documentation and Support Availability

In the event that VITA terminates this Contract, Supplier shall pass-through from the OEM all the necessary user and installation documentation and maintenance and repair training reasonably required to enable any Authorized User to maintain and repair the Product itself or to obtain support and maintenance services from a third-party. Supplier shall pass-through from the OEM the documentation and training necessary to allow any Authorized User to self-maintain to the subcomponent level.

B. Engineering Changes and Product Modification

For each Authorized User that purchased Product, Supplier agrees to document and provide to such Authorized User any and all planned engineering changes if provided by the OEM at no charge, to the Product ninety (90) days prior to incorporation. All engineering changes which affect the safety of the Product ("Safety Changes") or the ability of the Product to meet the published specifications ("Performance Changes"), shall be made at no cost to the Authorized User. Supplier shall install all Safety Changes and Performance Changes within thirty (30) days after issuance of the engineering change order by the Product manufacturer. If such engineering changes affect Product processing or operating capability, they shall be scheduled at the Authorized User's request as to time and at the Authorized User's option. The Authorized User shall have the option to waive/pre-approve all other engineering changes planned by Supplier on the Product delivered or planned for delivery to the Authorized User.

C. Parts and Maintenance Support

When provided by the OEM, Supplier agrees to make available new/certifiable as new spare parts and the Maintenance Services identified in the Maintenance Services section herein and Exhibit D hereto for each Product type ordered by an Authorized User, for five (5) years from the expiration of the initial Warranty Period of the last unit of any given Product type provided by Supplier to such Authorized User. Thereafter, Supplier shall advise such Authorized User of OEM's intent when notified by the OEM, to discontinue either certain parts or maintenance services for any Product type ordered by the Authorized User.

6. WARRANTY AND REMEDY

A. Supplier

Supplier shall perform its obligations hereunder in accordance with the highest professional duty of care.

B. Supplier Viability

Supplier warrants that it has the financial capacity to perform and continue to perform its obligations under this Contract, that no legal proceedings have been threatened or brought against Supplier that could materially adversely affect performance of this Contract, and that entering into this Contract is not prohibited by any contract, or order by any court of competent jurisdiction.

C. Product

Supplier warrants the following with respect to the Product:
i). Product pursuant to a particular Request for Proposal (RFP), quote, or Request for Quote (RFQ), shall conform to the description therein.

ii). Upon delivery, the Product shall be new and in Operating Condition and shall have all released engineering changes released to date already installed;

iii). Each Product delivered hereunder shall function in conformance with the Requirements;

iv). Upon delivery, all System Software shall be at the current release level unless otherwise requested by the ordering Authorized User; and

v). The System Software shall not contain any embedded device or code (e.g., time bomb) that is intended to obstruct or prevent any Authorized User’s use of the System Software, nor shall Supplier disable any Authorized User’s use of such System Software through remote access or otherwise. If the System Software contains authorization codes allowing access to a data base or other software, Supplier warrants that such codes shall be perpetual and non-expiring.

Warranty of Product

vi). Supplier is a value added reseller (“VAR”) of Product, not the OEM and therefore disclaims any warranty responsibility regarding Product provided under this Agreement. Supplier shall forward the warranties to VITA which are provided to Supplier from the OEM of the Product, and to the extent granted by the OEM, VITA shall be the beneficiary of the OEM’s warranties with respect to the Product. Supplier is not a party to any such terms between VITA and OEM and VITA agrees to look solely to the OEM for satisfaction of any and all warranty claims related to that OEM’s Product.

vii). VITA has made and will make its own selection of the Product to be ordered hereunder based on its own evaluation of the character of such Product and its use needs.

EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT AND/OR ANY ORDER ISSUED HEREUNDER, NO EXPRESS OR IMPLIED WARRANTY IS MADE WITH RESPECT TO THE SERVICES, PRODUCT OR DELIVERABLES TO BE PROVIDED BY SUPPLIER HEREUNDER, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE.

viii).

1. Escalation Procedures
   TBD based on Supplier proposal.

THE OBLIGATIONS OF SUPPLIER UNDER THIS WARRANTY AND REMEDY SECTION ARE MATERIAL. SUPPLIER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY CONCERNING MERCHANTABILITY OR FITNESS FOR ANY OTHER PARTICULAR PURPOSE.

7. ORDERS AND COMPENSATION

A. Supplier Quote and Request for Quote

   Should an Authorized User determine that a competitive process is required to ensure it receives the best value, such Authorized User may, at its sole discretion, on a case-by-case basis and upon approval by VITA, use a Request for Quote (RFQ) process to obtain product identical or similar to that provided by Supplier pursuant to this Contract. The RFQ process is typically used when an Authorized User requires a complete solution that may be fulfilled by Products and Services herein, but whose complexity or size may result in economies that could not be passed on to the Authorized User within the confines of the established contract catalog discount pricing. When an RFQ is used, the project timing and requirements will be clearly outlined in the RFQ document. In some situations, the Authorized User may not identify the exact specifications
required. If that is the case, the RFQ respondents will be given the opportunity to identify and propose their recommended specifications.

In cases where the RFQ process is invoked, the Authorized User will issue an RFQ describing its requirements to potential suppliers, and suppliers will provide, at their discretion, within the timeframe specified in the RFQ, a detailed Statement of Work (SOW)-based quote. Any quote submitted to the Authorized User as a result of this process shall include (a) a detailed description of each item proposed, at the Exhibit C line item level, (b) the quantity of each such item, (c) the contract price, (d) any additional percentage discount offered, and (e) an extended/total price.

Generally, the Authorized User will select the supplier offering the lowest total cost proposal. However, non-price factors may be included in the evaluation criteria for a given RFQ. Any purchase from Supplier that is a result of the RFQ process shall be subject to the terms and conditions specified and outlined in this Contract and any subsequent modifications. Additional terms and conditions may be requested or mandated within the RFQ document. To the extent that any terms and conditions of the Authorized User are inconsistent with the terms and conditions of this Contract, the terms and conditions of this Contract shall supersede.

B. Orders

Notwithstanding all Authorized User’s rights to license or purchase Supplier’s products or services under this Contract, an Authorized User is under no obligation to license or purchase from Supplier any of Supplier’s products or services. This Contract is optional use and non-exclusive and all Authorized Users may, at their sole discretion, purchase, license or otherwise receive benefits from third party suppliers of products and services similar to, or in competition with, the products and services provided by Supplier.

Supplier is required to accept any order placed by an Authorized User through the eVA electronic procurement website portal (eVA Home Page). eVA is the Commonwealth of Virginia’s e-procurement system. State agencies, as defined in §2.2-2006 of the Code of Virginia, shall order through eVA. All other Authorized Users are encouraged to order through eVA, but may order through the following means:

ix). Purchase Order (PO): An official PO form issued by an Authorized User.

x). Any other order/payment charge or credit card process, such as AMEX, MASTERCARD, or VISA under contract for use by an Authorized User.

This ordering authority is limited to issuing orders for the Products and Services available under this Contract. Under no circumstances shall any Authorized User have the authority to modify this Contract. An order from an Authorized User may contain additional terms and conditions; however, to the extent that the terms and conditions of the Authorized User’s order are inconsistent with the terms and conditions of this Contract, the terms of this Contract shall supersede.

Notwithstanding the foregoing, Supplier shall not accept any order from an Authorized User if such order is to be funded, in whole or in part, by federal funds and if, at the time the order is placed, Supplier is not eligible to be the recipient of federal funds as may be noted on any of the Lists of Parties Excluded from Federal Procurement and Non-procurement Programs.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER PLACED BY ANY AUTHORIZED USER ARE THE SOLE OBLIGATION OF SUCH AUTHORIZED USER AND NOT THE RESPONSIBILITY OF VITA UNLESS SUCH AUTHORIZED USER IS VITA.

C. Purchase Price and Price Protection

Exhibit C sets forth the prices by Product type (including whole units and repairable major components thereof) and for manufacturer offered warranty services and Maintenance Services, and the appropriate Commonwealth discounts. The discounts offered shall not decrease for a
period of not less than two (2) years from the Effective Date of this Contract. Thereafter, any decrease in discount from list price shall be limited to once per twelve (12) month period and shall not exceed the lesser of three percent (3%) or the annual increase in the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, for the expenditure category "Information technology, hardware and services" as published by the Bureau of Labor Statistics of the Department of Labor (http://www.bls.gov), for the effective date of the increase compared with the same index one (1) year prior. Supplier shall demonstrate the added value for any requested price increase or the manufacturer program change that resulted in the price discount change. Any change in discount offered shall be submitted in writing in accordance with the above and shall not become effective for sixty (60) days thereafter. Semi-annually, VITA may check the prices for Product against the CPI-U, as defined above, for the expenditure category "Information technology, hardware and services", and the discounts in Exhibit C shall be appropriately changed to ensure continued price competitiveness, if required. Supplier agrees to offer Product price reductions to ensure compliance with the Competitive Pricing Section.

D. Supplier-Sponsored Product Promotions
The Supplier, at its discretion, may sponsor Product and Service promotions during the Contract term or any extensions thereof. Should Supplier choose to sponsor such a promotion, Supplier shall provide in writing to VITA, at least five (5) days prior to the promotion, the following information: (i) the dates of the promotion or the duration of the promotion to include the commencement date and the ending date; (ii) the exact Products or Services covered in the promotion; and (iii) the pricing or percentage discount offered during the promotion. VITA shall communicate to Supplier in writing its agreement to the promotion.

The Supplier shall be in breach of the Contract in the absence of a written agreement regarding the promotion. In any event wherein the Supplier proposes prices that are different than the Contract prices to any Authorized User without first obtaining VITA’s agreement, the Supplier shall be in breach of the Contract, and VITA shall have all remedies available under Contract and law and in equity.

All Supplier-sponsored Product or Service promotions shall be available to all Authorized Users. Should the Supplier request a promotion that would be limiting, either through product configuration or quantities of Products and Services, VITA, at its sole discretion, may not provide a written agreement. VITA and Supplier agree that promotions shall not target any one Authorized User, or a few Authorized Users.

VITA and Authorized Users, at their discretion, may assist in advertising the promotion. This assistance may consist of advertising space on Authorized User web sites, or other assistance at an Authorized User’s discretion.

E. Invoice Procedure
Supplier shall remit each invoice to the "bill-to" address provided with the order promptly after all Products or Services have been accepted. Payment for Maintenance Services shall be annually in arrears unless otherwise stated herein. No invoice shall include any costs other than those identified in the executed order, which costs shall be in accordance with Exhibit C. Without limiting the foregoing, all shipping costs are the Supplier’s responsibility except to the extent such charges are identified in Exhibit C, or as noted in any executed order referencing this Contract. Invoices issued by the Supplier shall identify at a minimum:

i). Product or Service type and description

ii). Product serial number, if any

Any terms included on Supplier's invoice shall have no force or effect and will in no way bind VITA or any Authorized User.

F. Purchase Payment Terms

Supplier shall thereupon review its records, and, if it does not concur with the Authorized User, provide the Authorized User with documentation to support the charge. If such charges remain in dispute, such dispute shall be resolved in accordance with the Dispute Resolution section of this Contract. In the absence of the Supplier's written evidence identifying the merit of the disputed amounts, Authorized User may not pay the disputed amounts and may consider the matter concerning the specific identified amounts closed. All payment terms are net 30 days after Acceptance.

The IFA payment shall reference this Contract number, "report amounts", and "report period" and shall be accompanied by a copy of the relevant "Supplier Monthly Report of Sales". However, an Authorized User may disclose the Confidential Information as delivered by Supplier to subcontractors, contractors or agents of such Authorized User that are bound by non-disclosure contracts with such Authorized User. Each Party shall take the same measures to protect against the disclosure or use of the Confidential Information as it takes to protect its own proprietary or confidential information (but in no event shall such measures be less than reasonable care).

For state agencies the applicable laws include §§ 2.2-510 and 2.2-514 of the Code of Virginia. In all cases the selection and approval of counsel and approval of any settlement shall be satisfactory to VITA or the Authorized User against whom the claim has been asserted.

In the event that a Claim is commenced against any of Commonwealth’s Indemnified Parties alleging that use of the Services under this Contract infringes any third party’s intellectual property rights and Supplier is of the opinion that the allegations in such Claim in whole or in part are not covered by this indemnification provision, Supplier shall immediately notify VITA and the affected Authorized User(s) in writing, via certified mail, specifying to what extent Supplier believes it is obligated to defend and indemnify under the terms and conditions of this Contract. Supplier shall in such event protect the interests of the Commonwealth’s Indemnified Parties and secure a continuation to permit VITA and the affected Authorized User(s) to appear and defend their interests in cooperation with Supplier as is appropriate, including any jurisdictional defenses VITA or the affected Authorized User(s) may have.

In the event of a Claim pursuant to any actual or alleged infringement or misappropriation of any Services, and in addition to all other obligations of Supplier in this Section, Supplier shall at its expense, either (a) procure for all Authorized Users the right to continue use of such infringing Services, or any component thereof; or (b) replace or modify such infringing Services, or any component thereof, with non-infringing Services satisfactory to VITA. If Supplier cannot accomplish any of the foregoing within a reasonable time and at commercially reasonable rates, then Supplier shall refund the price paid to Supplier for such Services.

11. SECURITY COMPLIANCE
Supplier agrees to comply with all provisions of the then-current Commonwealth of Virginia security procedures, published by the Virginia Information Technologies Agency (VITA) and which may be found at (http://www.vita.virginia.gov/library/default.aspx?id=537#securityPSGs) or a successor URL(s), as are pertinent to Supplier’s operation. Supplier further agrees to comply with all provisions of the relevant Authorized User’s then-current security procedures as are pertinent to Supplier’s operation and which have been supplied to Supplier by such Authorized User. Supplier shall also comply with all applicable federal, state and local laws and regulations. For any individual Authorized
User location, security procedures may include but not be limited to: background checks, records verification, photographing, and fingerprinting of Supplier's employees or agents. Supplier may, at any time, be required to execute and complete, for each individual Supplier employee or agent, additional forms which may include non-disclosure agreements to be signed by Supplier's employees or agents acknowledging that all Authorized User information with which such employees and agents come into contact while at the Authorized User site is confidential and proprietary. Any unauthorized release of proprietary information by the Supplier or an employee or agent of Supplier shall constitute a breach of this Contract.

Supplier shall indemnify, defend, and hold the Commonwealth, VITA, the Authorized User, their officers, directors, employees and agents harmless from and against any and all fines, penalties (whether criminal or civil), judgments, damages and assessments, including reasonable expenses suffered by, accrued against, or charged to or recoverable from the Commonwealth, VITA, the Authorized User, their officers, directors, agents or employees, on account of the failure of Supplier to perform its obligations pursuant to this Section.

12. BANKRUPTCY
If Supplier becomes insolvent, takes any step leading to its cessation as a going concern, or ceases business operations for any reason and other than assignment as allowed by this Contract, then VITA may immediately terminate this Contract, and an Authorized User may terminate an order, on notice to Supplier unless Supplier immediately gives VITA or such Authorized User adequate assurance of the future performance of this Contract or the applicable order. If bankruptcy proceedings are commenced with respect to Supplier, and if this Contract has not otherwise terminated, then VITA may suspend all further performance of this Contract until Supplier assumes or rejects this Contract pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision. It being agreed by VITA and Supplier that this is an executory contract. Any such suspension of further performance by VITA pending Supplier's assumption or rejection shall not be a breach of this Contract, and shall not affect the right of VITA or any Authorized User to pursue or enforce any of its rights under this Contract or otherwise.

13. GENERAL PROVISIONS

A. Relationship Between VITA and Authorized User and Supplier
Supplier has no authority to contract for VITA or any Authorized User or in any way to bind or to commit VITA or any Authorized User to any agreement of any kind or to assume any liabilities of any nature in the name of or on behalf of VITA or any Authorized User.
