PROCUREMENT OFFICER
This is an Amendment to a previous agreement between Cerner Corporation, a Delaware corporation, as successor in interest to Anasazi Software, Inc. ("Anasazi") and The County Board of Arlington County, Virginia, ("Customer"), a County Government Agency. The Agreement to be amended defines the terms and conditions for the license of certain Anasazi Software Products to Customer and provision of Conversion Services to Customer by Anasazi. It is entitled the Software License and Conversion Services Agreement, and is referred to hereafter as "the Agreement".

FIRST:

Exhibit B Section C.1 (b) is replaced in its entirety by this Section C.1 (b).

(b)

(i) Records in this subsection signify that Customer has elected to license the Doctor's HomePage System on a concurrent user basis such that the number of Doctor's HomePage Named Users is unlimited and further denotes that the number of Doctor's HomePage Concurrent Users as:

Up to 16 Prescribing Professional Users may concurrently access the Doctor's HomePage System and the Doctor's HomePage Third Party Services.

Up to 28 combined Prescribing Professional Users and Non-Prescribing Professional Users may concurrently access the Doctor's HomePage System and the Doctor's HomePage Third Party Services such that unused licensing capacity for Prescribing Professional Users may be accessed by additional Non-Prescribing Professional Users.

SECOND:

Exhibit C Section 1.1 is amended to include this Section 1.1 (a).

1.1 (a) Additional Software License Fee. The Additional Software License Fee for Customer's use of the Software Products within the Scope of License permitted on Exhibit B is $83,700.

THIRD:

Exhibit C Section 1.3 is replaced in its entirety by this Section 1.3.

1.3 Software Maintenance Fee. The monthly Software Maintenance Fee is $1,550. This fee is due and payable on the first day of each month of the term of the Customer Support and Software Maintenance Agreement.
FOURTH:

Exhibit C Section 5.1 is amended to include this Section 5.1.

5.1 Customer’s Combined Operating Budget. Customer understands that Anasazi fees are based on the 
Scope of License granted to Customer and the Combined Operating Budget of programs to be 
supported by use of the Anasazi Software Products. Customer represents and warrants to Anasazi 
that the Combined Operating Budget is approximately $31,750,000. Anasazi may at any time request 
that Customer provide an update of its Combined Operating Budget. Customer will provide that 
information to Anasazi within thirty (30) days of receipt of Anasazi's request.

FIFTH: This Amendment supersedes all inconsistent provisions of the Agreement or previous amendments 
to the Agreement. All other provisions of the Agreement or previous amendments remain in effect.

SIXTH: This Amendment is effective the latter of the date that both parties execute this Amendment and the 
date that Anasazi receives the Additional Software License Fee.

THE UNDERSIGNED PERSONS REPRESENT AND WARRANT THAT WE ARE LEGALLY FREE 
TO ENTER THIS AGREEMENT, THAT OUR EXECUTION OF THIS AGREEMENT HAS BEEN 
DULY AUTHORIZED, AND THAT UPON BOTH OF OUR SIGNATURES BELOW THIS SHALL 
BE A BINDING AGREEMENT TO THE FOREGOING TERMS AND CONDITIONS OF THIS 
AMENDMENT OF THE SOFTWARE LICENSE AND CONVERSION SERVICES AGREEMENT 
AND THE CUSTOMER SUPPORT AND SOFTWARE MAINTENANCE AGREEMENT BETWEEN 
THE PARTIES.
