The County and the Contractor, for the consideration and quantity(ies) specified herein or specified in a County Purchase Order referencing this Agreement, agree as follows:  

1. CONTRACT DOCUMENTS  

This Agreement rides a competitive procurement process conducted by the Virginia Information Technologies Agency (VITA) for RFP#2011-09 resulting in Contract #VA-110502-DVGI. The Contractor desires to extend to the County the same pricing as the Contractor’s agreement with the Virginia Information Technologies Agency (VITA).  

The Contract Documents set forth the entire agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either of them has made any representation or promise with respect to the parties’ agreement which is not contained in the Contract Documents.  

2. CONTRACT TERM  
The Contractor’s provision of goods for the County (“Work”) shall commence on the date of execution of this Agreement by the County and shall be completed no later than 5/01/2014 (“Initial Contract Term”), subject to any modifications as provided for in the Contract Documents.  

Upon satisfactory performance by the Contractor, and with the concurrence of the Contractor, if VITA renews their agreement identified in Exhibit A, the County may elect to renew this Agreement for 2(two), 1(one) year renewals under the same contract unit prices for not more than 2 additional twelve (12) month period from 5/01/2014 to 5/01/2016 ("Subsequent Contract Term"). However, if VITA does NOT renew their agreement identified in Exhibit  

Rider Agreement 518-14
A, this Agreement shall automatically expire on the date of VITA's 5/01/2014 contract expiration date.

3. **CONTRACT PRICING**
The County will pay the Contractor in accordance with the terms of the Payment paragraph below, at the unit prices set forth in Exhibit A for Work provided by the Contractor, as described and required in the Contract Documents, and accepted by the County.

4. **SCOPE OF WORK**
The Contractor agrees to provide the goods described in the Contract Documents. The primary purpose is to provide purchase of Hardware Products, Software and related accessories, supplies, Services and Maintenance for Arlington County's Audio Visual Device needs.

The Contract Documents set forth the minimum work estimated by the County and the Contractor to be necessary to complete the work. It shall be the Contractor's responsibility, at the Contractor's sole cost, to provide the specific Work set forth in the Contract Documents sufficient to fulfill the purposes of the Work. Nothing in the Contract Documents shall be construed to limit the Contractor's responsibility to manage the details and execution of the Work.

5. **PROJECT OFFICER**
The performance of the Contractor is subject to the review and approval of the County Project Officer ("Project Officer"), who shall be appointed by the Director of the Arlington County department or agency requesting the work under the Contract Documents. However, it shall be the responsibility of the Contractor to manage the details of the execution and performance of its work pursuant to the Contract Documents.

6. **PAYMENT TERMS**
Payment terms will be recorded by the County as Net thirty (30) days. The County will pay the Contractor within thirty (30) calendar days after the date of receipt of a correct, as determined by the Project Officer, invoice approved by the Project Officer describing completed work which is reasonable and allocable to the Contract, or the date of receipt of the entire order, or the date of acceptance of the work which meets the Contract requirements, whichever is later. Payments will be made by the County for goods or services furnished, delivered, inspected, and accepted upon receipt of invoices submitted on the date of shipment or delivery of service, subject to applicable payment terms. The number of the County Purchase Order pursuant to which authority shipments have been made or services performed shall appear on all invoices. Invoices shall be submitted in duplicate. Unless otherwise specified herein, payment shall not be made prior to delivery and acceptance of the entire order by the County.

7. **PAYMENT OF SUBCONTRACTORS**
The Contractor is obligated to take one of the two following actions within seven (7) days after receipt of amounts paid to the Contractor by the County for work performed by any subcontractor under this Contract:
a. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Contract; or

b. Notify the County and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

The Contractor is obligated to pay interest to the subcontractor on all amounts owed by the Contractor to the subcontractor that remain unpaid after seven (7) calendar days following receipt by the Contractor of payment from the County for work performed by the subcontractor under this Contract, except for amounts withheld as allowed in subsection b., above. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts, if any are permitted, a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements as those contained herein with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this section may not be construed to be an obligation of the County. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

8. NON-APPROPRIATION

All funds for payments by the County to the Contractor pursuant to this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia. In the event of non-appropriation of funds by the County Board of Arlington County, Virginia for the goods or services provided under this Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the then-current fiscal year or when the appropriation made for the then-current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the County shall not be obligated under this Contract beyond the date of termination specified in the County’s written notice.

9. COUNTY PURCHASE ORDER REQUIREMENT

County purchases are authorized only if a County Purchase Order is issued in advance of the transaction, indicating that the ordering agency has sufficient funds available to pay for the purchase. Title and risk of loss or damage to all goods shall be the responsibility of the Contractor until acceptance by the County. The County's right of inspection shall not be deemed to relieve the Contractor of its obligation to ensure that all articles, materials and supplies are consistent with specifications and instructions and are fit for their intended use. The County reserves the right to conduct any tests or inspections it may deem appropriate before acceptance.

No goods or materials shall be purchased by the Contractor or any subcontractor subject to any chattel mortgage or under a conditional sale or other agreement by which an interest is retained by the seller.
