2. The Contractor understands and agrees that this is a requirements contract and the County will have no obligation to the Contractor if no goods or services are required.

3. The Contractor's provision of these goods or services shall be subject to review and approval by the County's Project Officer ("Project Officer") assigned by the Director of the County's Environmental Services Department.

4. The Contractor shall provide the goods or service designated in Paragraph 1 and any attachments beginning on 5/1/2015, and, unless terminated as provided below, shall continue until 4/30/2016.

5. For services rendered or goods provided by the Contractor and accepted by the Project Officer, the County shall pay the Contractor $3,500.00. The County shall not pay the Contractor any other sum under this Agreement. Payment to the Contractor shall be net thirty (30) days from receipt by the County of a correct invoice from the Contractor. An invoice's correctness will be determined by the Project Officer.

6. It is understood and agreed by the parties that the Contractor is an independent contractor separate from the County, and the County will not withhold from the compensation paid to the Contractor any federal or Virginia unemployment taxes, federal or Virginia income taxes, Social Security tax, or any other amounts for benefits to the Contractor or its agents or employees; further, the County will not provide any insurance coverage or other benefits normally provided by the County for its general employees to the Contractor.

7. The Contractor is obligated to take one of the two following actions within seven (7) days after receipt of amounts paid to the Contractor by the County for work performed by any subcontractor under this Agreement:

a. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Agreement; or

b. Notify the County and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment, with the reason for nonpayment.

The Contractor is obligated to pay interest to any subcontractor on all amounts owed by the Contractor to the subcontractor that remain unpaid after seven (7) days following receipt by the Contractor of payment from the County for work performed by the subcontractor under this Agreement, except for amounts withheld as allowed in section b., above. Unless otherwise provided under the terms of this Agreement, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements as those contained in this Agreement with respect to each lower-tier subcontractor.

13. The Contractor will comply with the provisions of the Americans with Disabilities Act of 1990, which prohibits discrimination against individuals with disabilities in employment and mandates their full participation in publicly- and privately-provided services and activities.

If funds are not appropriated at any time for the continuation of this Agreement, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the County shall not be obligated under this Agreement beyond the date of termination specified in the County’s written notice.

23. The Contractor agrees to comply with the provisions of Chapter 11 of the Arlington County Code covering business licenses insofar as those provisions may apply to this Agreement.

24. The Contractor shall be and remain authorized to transact business in the Commonwealth of Virginia during the term of this Agreement.

If, after Notice by the County, the Contractor fails or refuses to save, defend, hold harmless and/or indemnify the County, the Contractor shall be liable for and reimburse the County for any and all expenses, including but not limited to, reasonable attorneys fees incurred and settlements or payments made. The Contractor shall pay such expenses upon demand by the County and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.

2. The terms of this Hold Harmless Agreement shall continue in full force and effect until such time as the County in its sole discretion determines that the covenants described in paragraph 1, above, shall no longer be necessary.

3. In executing this Hold Harmless Agreement, the Contractor represents and warrants that the Contractor has completely read, fully understood, and voluntarily accepted its terms and has executed it expressly to make the covenants in favor of the County described in paragraph 1, above.
